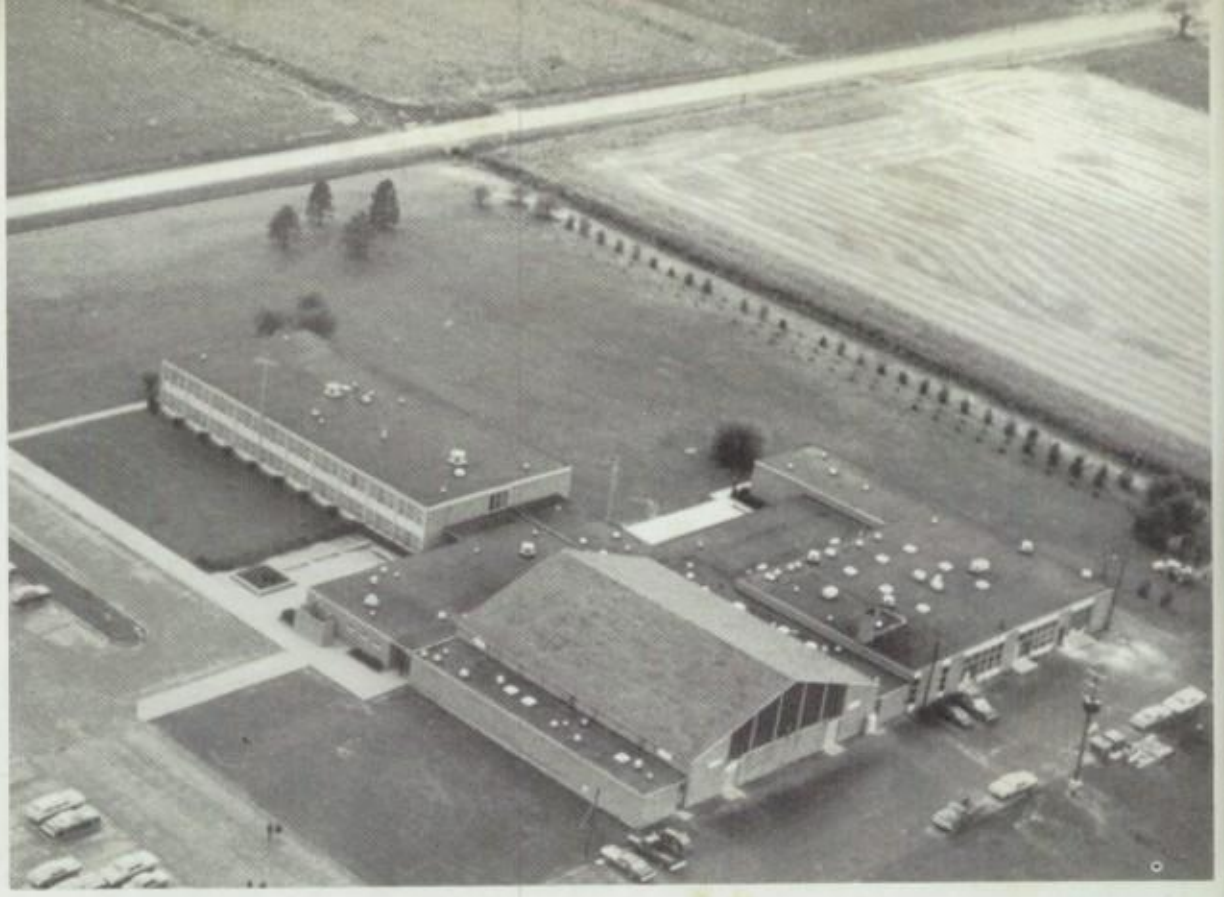
CLASSES 92

As we travel through out lives we see many different kinds of signs. Some warn us of danger, change, new developments, but many others are signs of individualism. The same is true in school. There we see signs of involvement, of personal success, and of pride in ourselves and our school. Travel with us now and see some of the signs that made 1979-80 such a memorable year.



a

c

b

a. Lakota High School.
b. Halloween Dress-Up Day brought many strange looking people like this mummy who is really Gary Holman.
c. Crowded hallways make it hard to get to class on time as Todd Chalfin hurries to his next class.

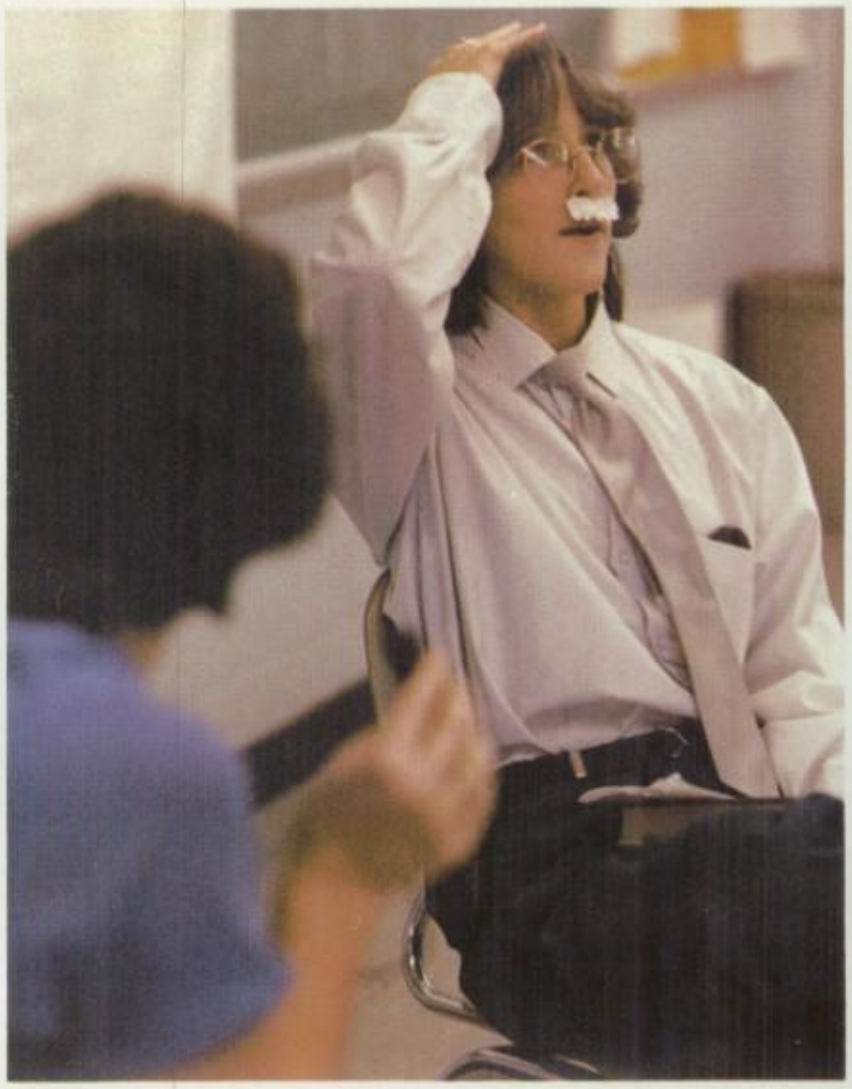
a

b

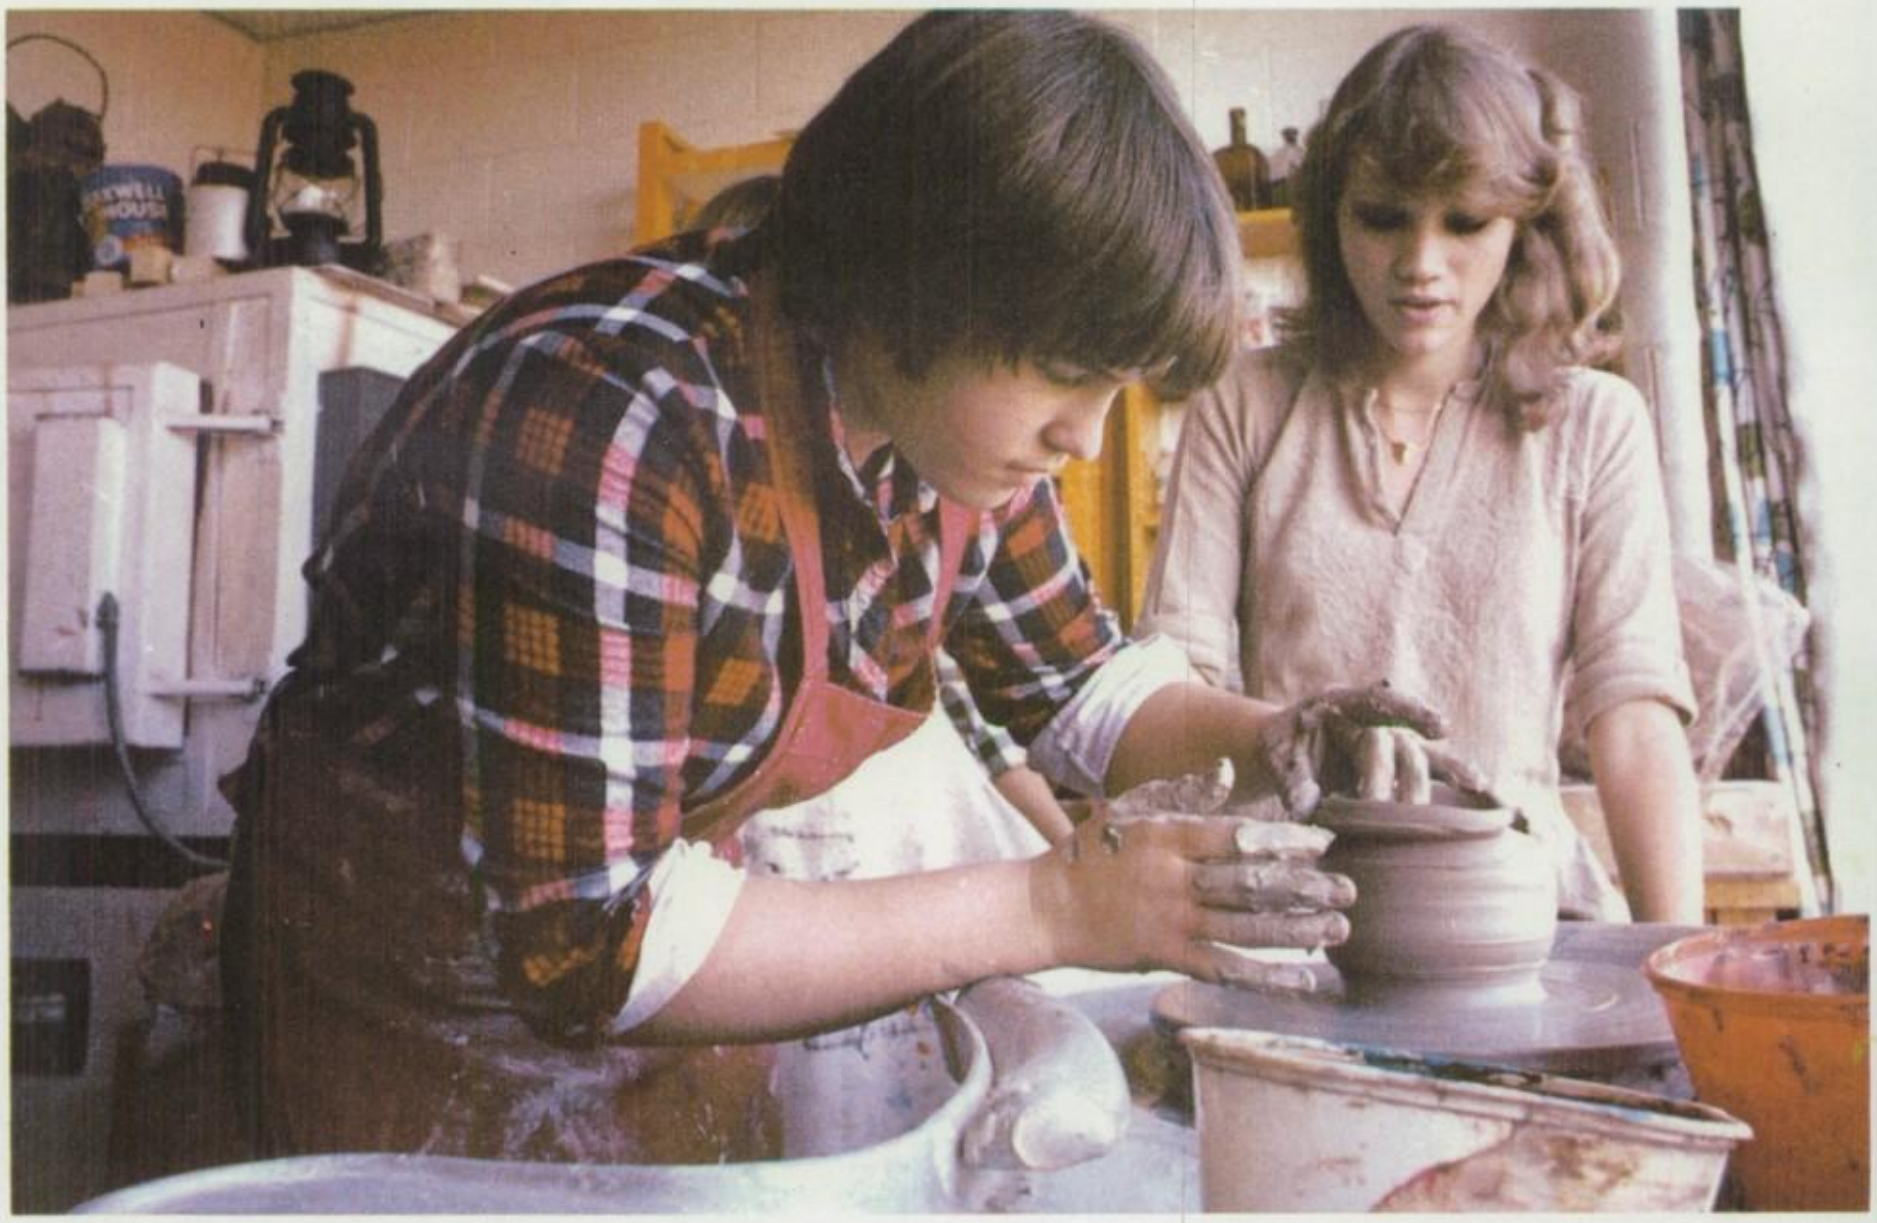
c

a. The pride of being #1 is shown in the locker room after the big game with teammates Larry Tiell, Tom Henry, and Mike Ickes.
b. Nina McMinn does not have trouble making friends as she meets this snake.
c. John Kreais it not worried about being involved in the class as he catches up on last night's sleep.

A big part of being a student is being involved. We get involved not only in our studies but in expressing our individual interests in other areas as well. Involvement is another way of learning because besides having our own abilities, we grow in knowledge with the help of others.



a



b

a. Reports are not always read, sometimes they are given the finishing touches with added participation as Liz Gibson demonstrates here.
b. Mastering the skills of pottery is not always easy but Pat Hammer seems to be doing a fine job.

a

b

c

a. Weeks of participation have given Dennis Hawk the extra "polish" as he helps the band in an excellent performance.
b. Concentration is the name of the game as Jodi McMinn uses it to complete her test.
c. In Freshman English class, learning is easy with participation as these students are doing here.

a

b

c

a. On Your Mark! Get Set! Go! is exactly what Becky Cessna did as she won the peanut roll.
b. For a successful art project Linda Naderer uses a steady hand.
c. Math skills are not always easy to comprehend as Rodney Kirtpatrick gets some extra help.

a

Personal success grows out of long involvement. We develop our personal styles through success in Cross Country or other sports or even through involvement in learning. No matter how or where we succeed, being ourselves is what makes us outstanding!

b

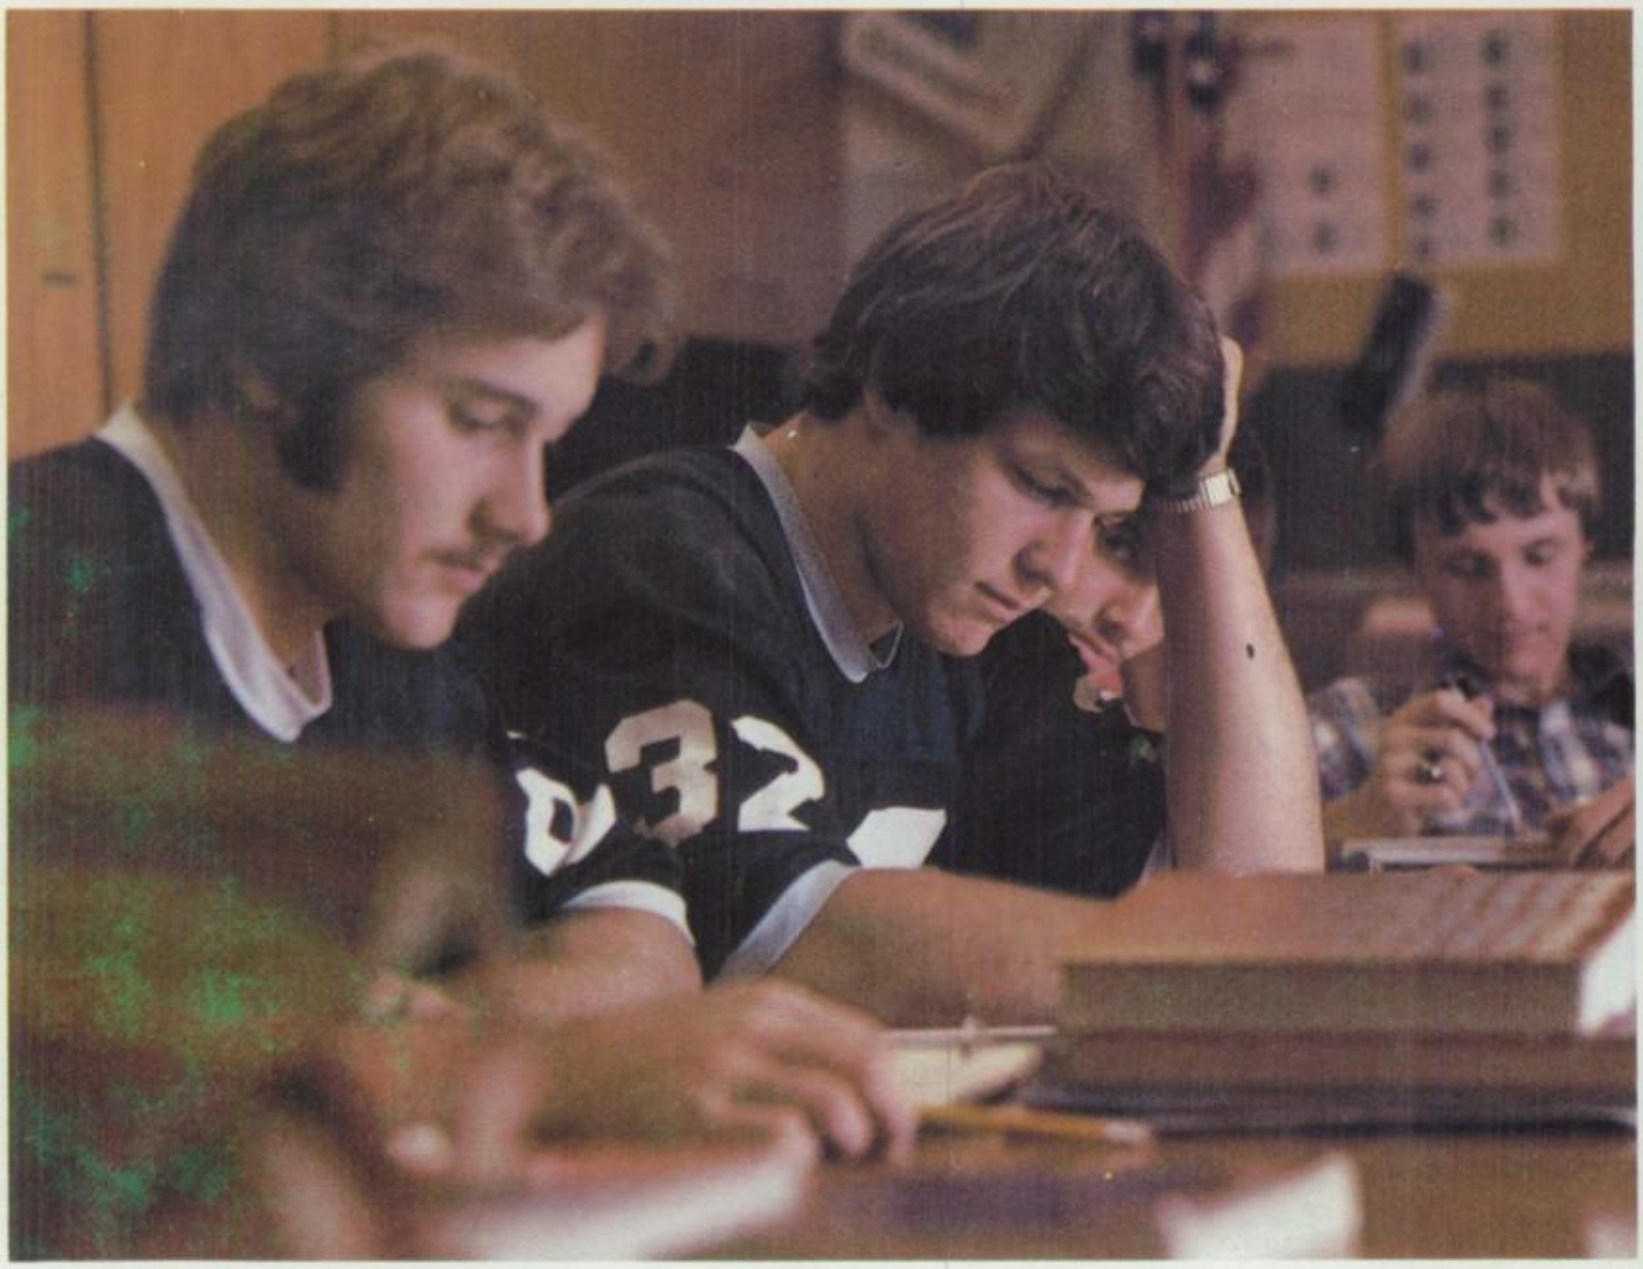
c

a. As this preschooler practices his art skills, Julie Miller will increase her knowledge of young children.
b. Listening close to Coach Clines last words Todd Harman and Greg Burbaker hope for a successful race.
c. Studying is always easier if you have help as Lisa Bowe has found out.

a. Angie Teeple adds the finishing touches to a very fine art project.
b. "Ready, Set, Go!!!" are familiar words for the girls C.C. team as they had a very successful season.
c. Learning all they can about farming Randy Fieck and Mike Hoffman listen intentively in Vo. Ag.

a

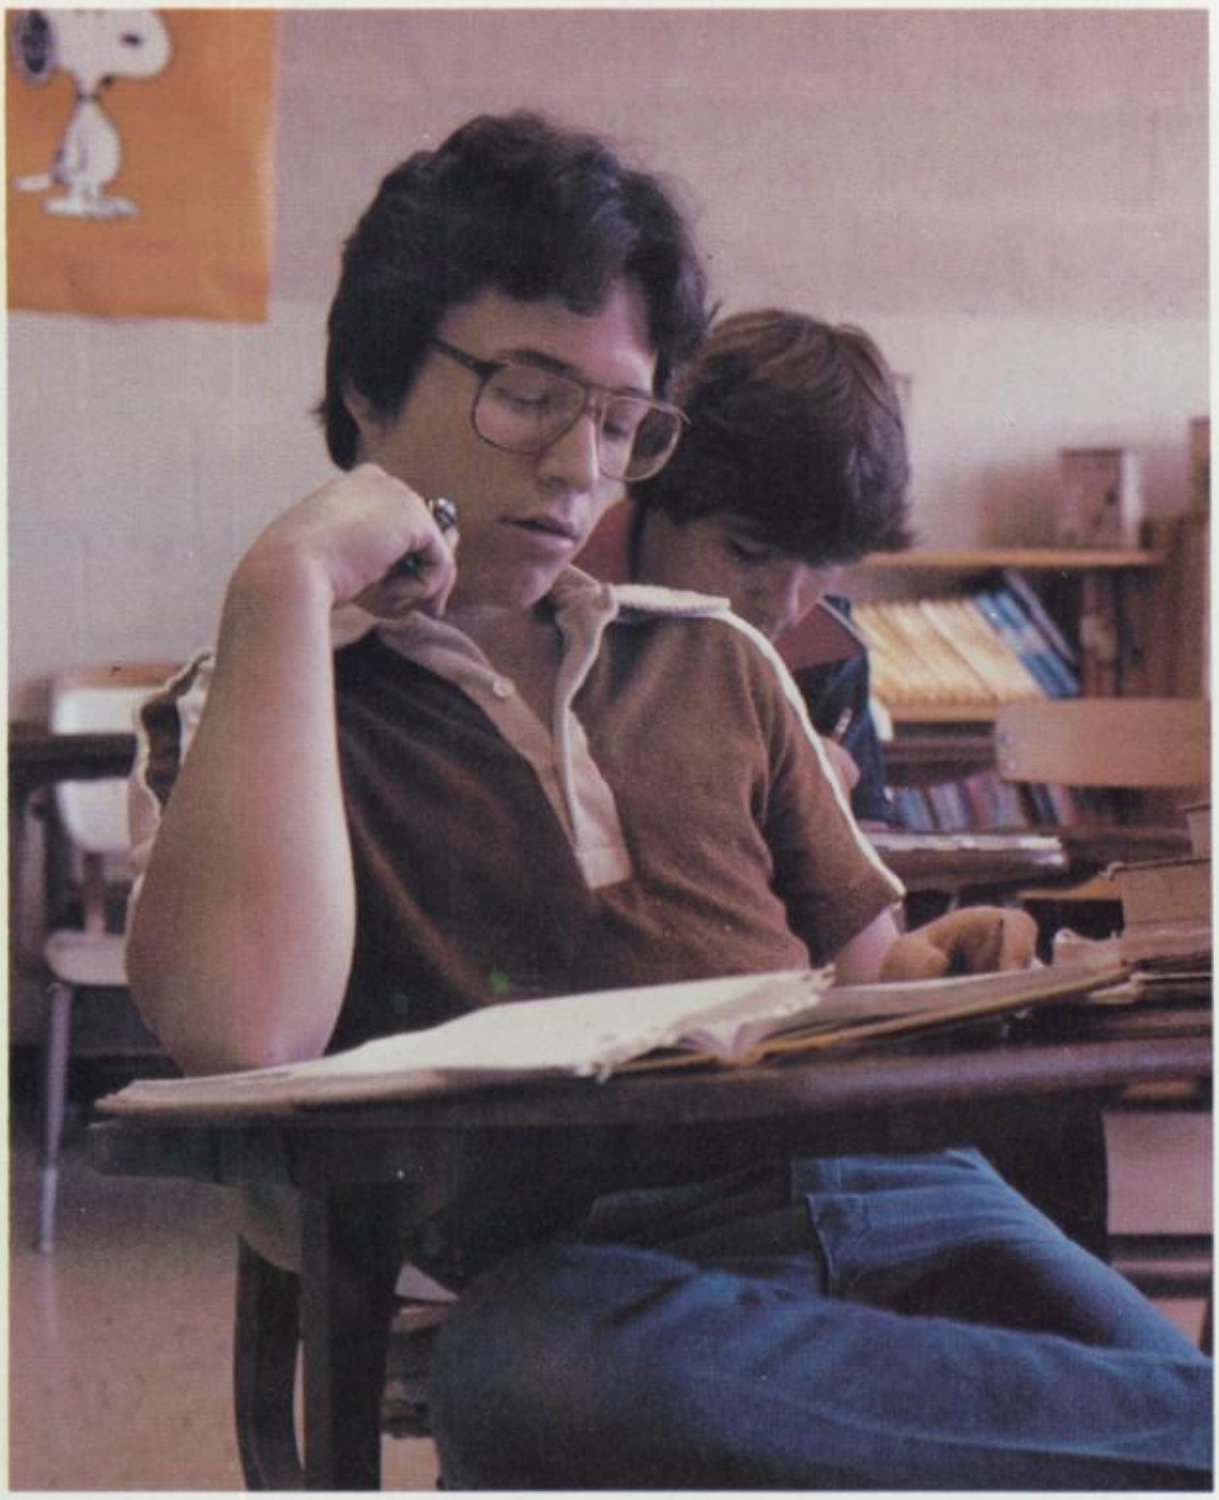
b



c

a

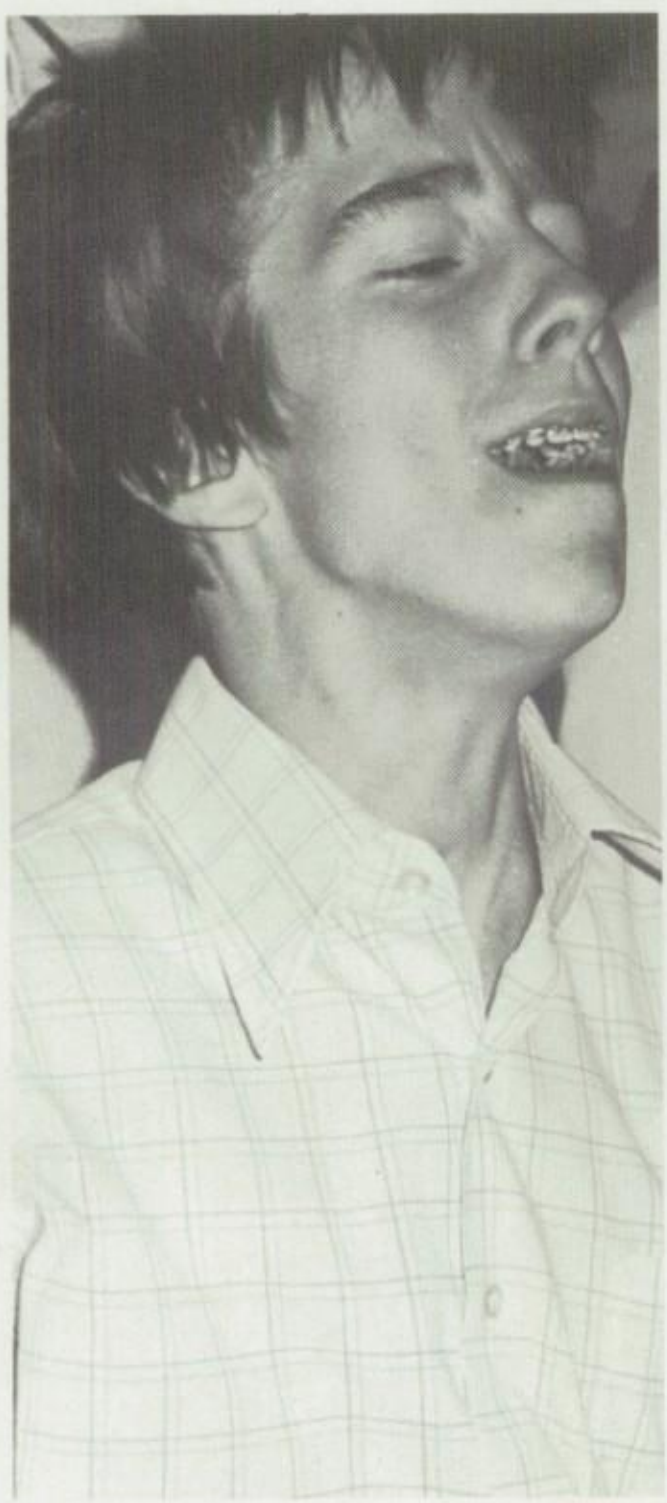
Success leads to pride in ourselves, and our pride in our school. We join together to reach for "Spirit" but each individual contributes his own special and different ability.

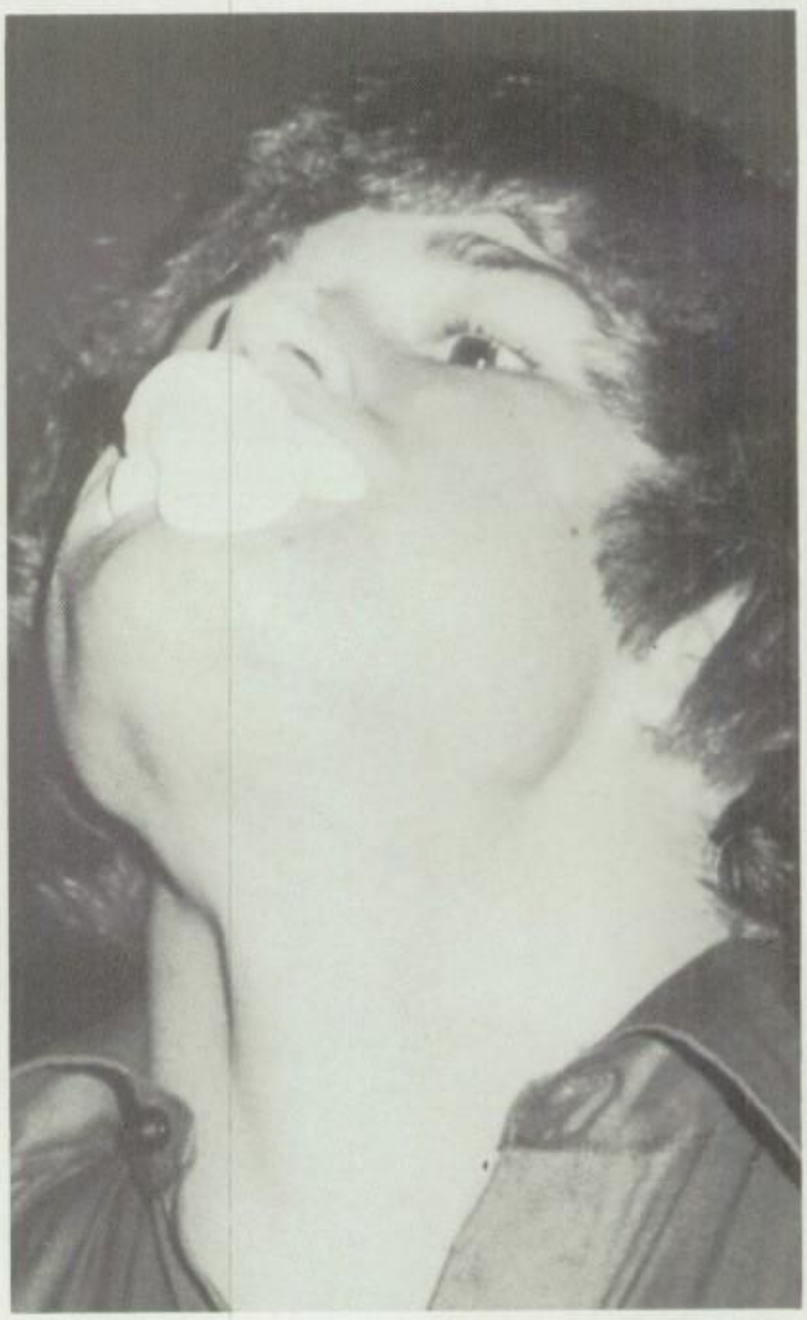


b

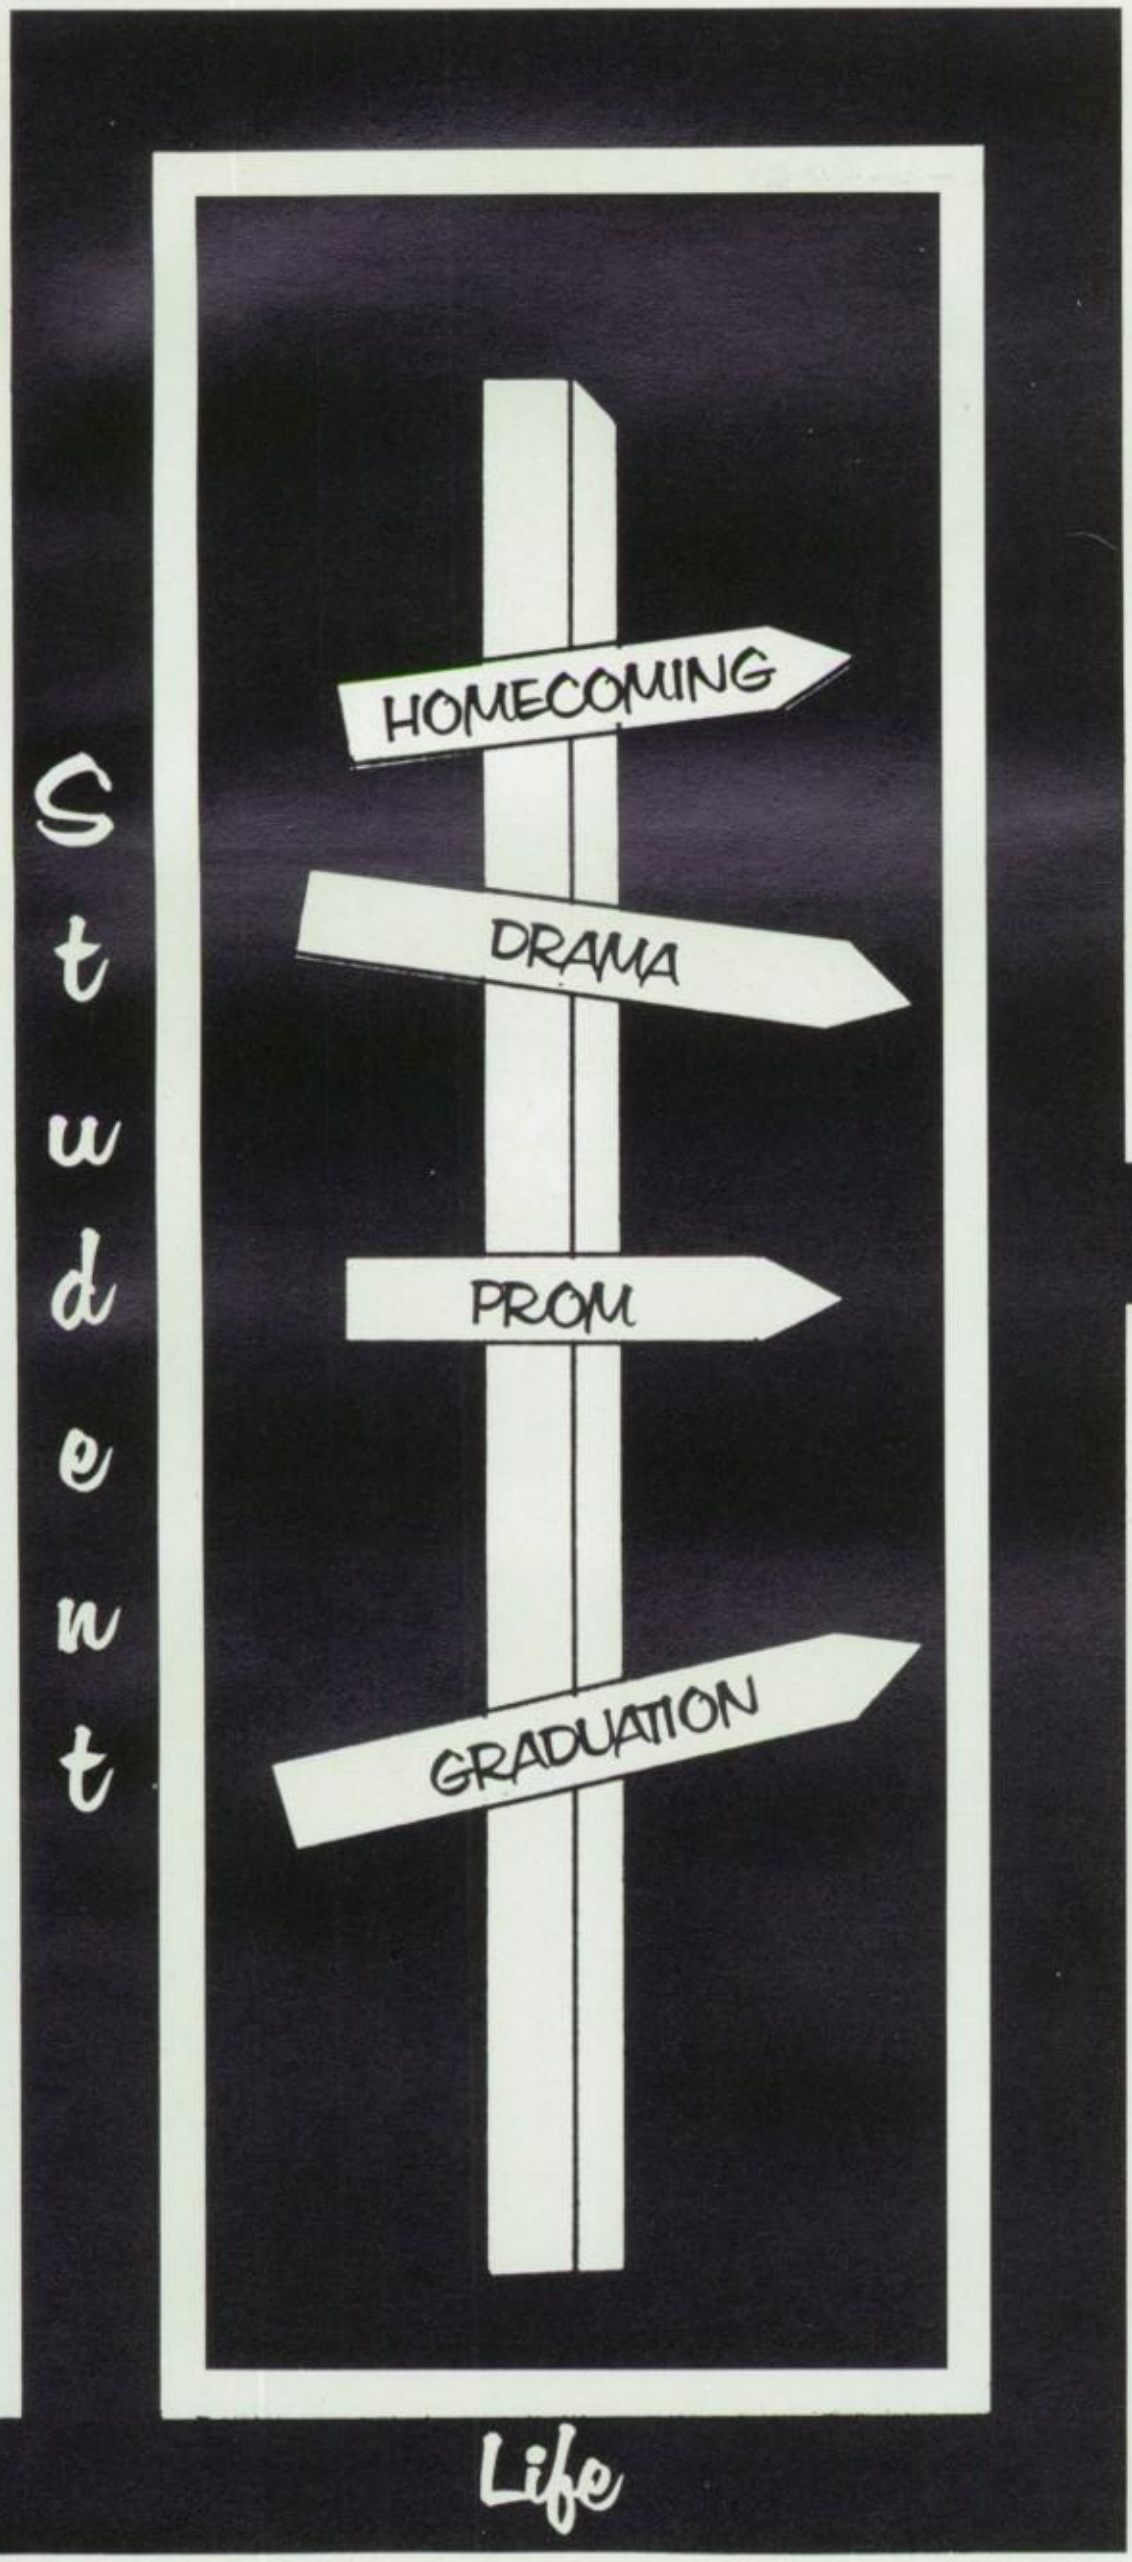
c

a. Part of our daily life is changing classes.
b. During his study time Guy McClure works hard on his French assignment.
c. "Let's Bring Home a Victory" is exactly what the football team did as they tied for the S.L.L. Title.





Student Life



a. Joy is more than in the heart as you can see it on our new King and Queen, Terry Sabo and Shelly Sams faces.
b. The ambition to go out and win is clearly shown as Al Wiseman bursts through the Tee Pee.
c. The 1979 Homecoming Queen and her court.

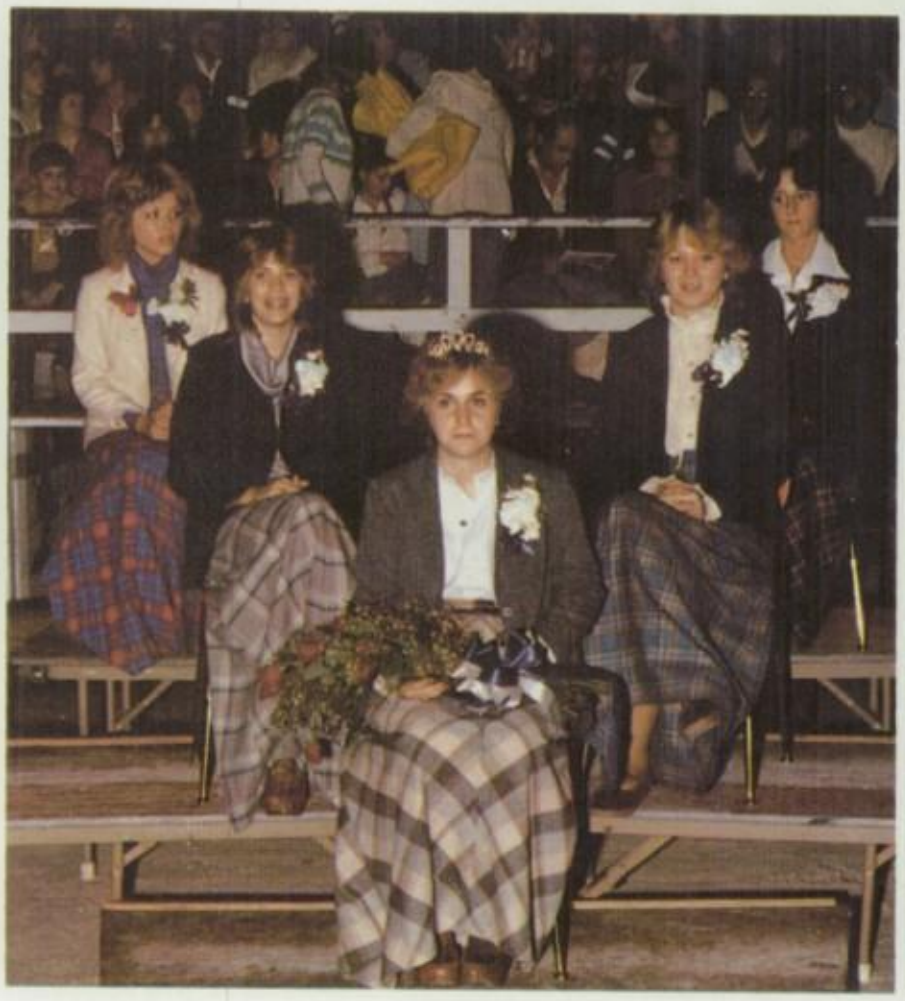
During the homecoming assembly, the finals for the games were held. The queen and king candidates gave their speeches to the student body.

On Friday night the game was held against Gibsonburg with the Raiders coming out on top with a 22-6 victory. The queen and king of 1979 were Shelly Sams and Terry Sabo.

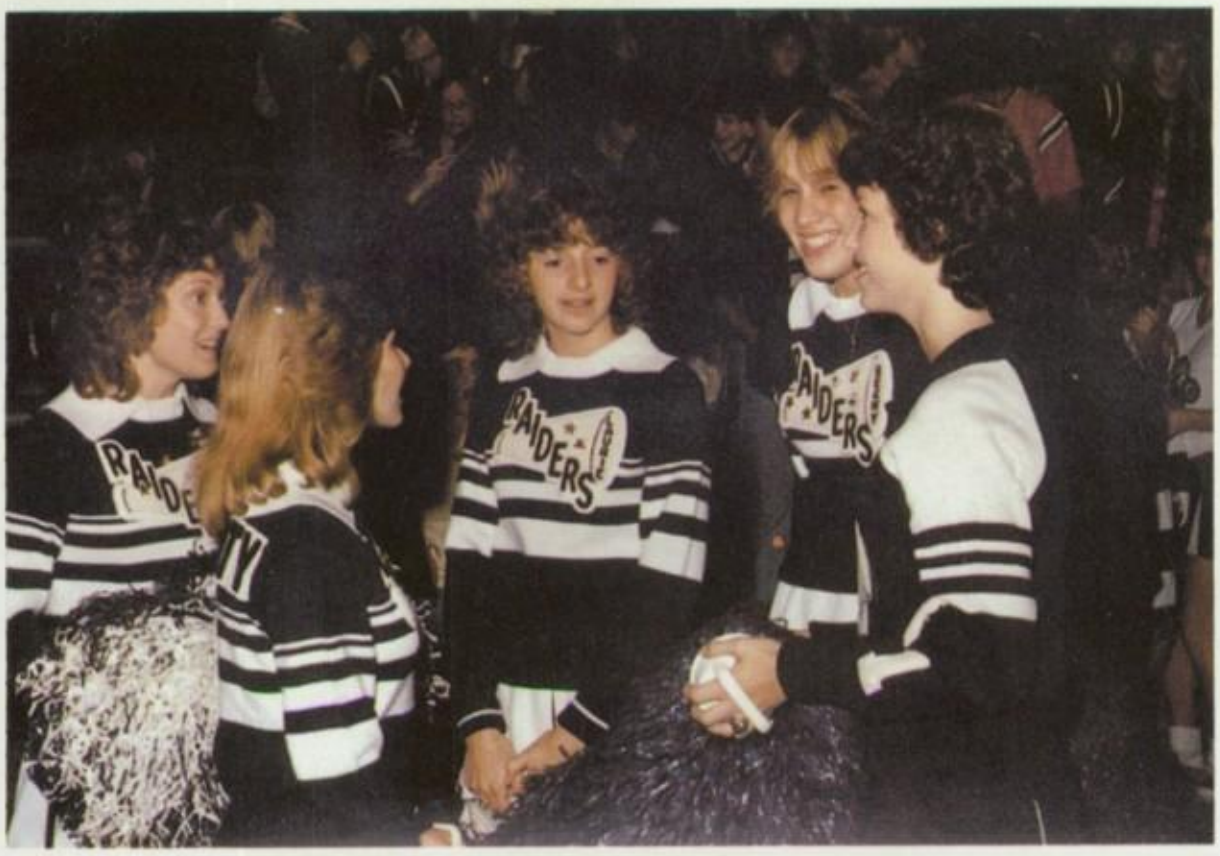
On Saturday evening, the Homecoming dance was held with the Queen and King residing over the ceremony. The band featured was "Mainstreet."

a

b



c



a

b

a. Double checking on their cheers the cheerleaders talk before the game.
b. During the Homecoming Pregame activities Randy Fieck and Kathy Ritter look slightly nervous anticipating the crowning of king and queen.
c. Attendant Liz Gibson watches the game intentively.

c

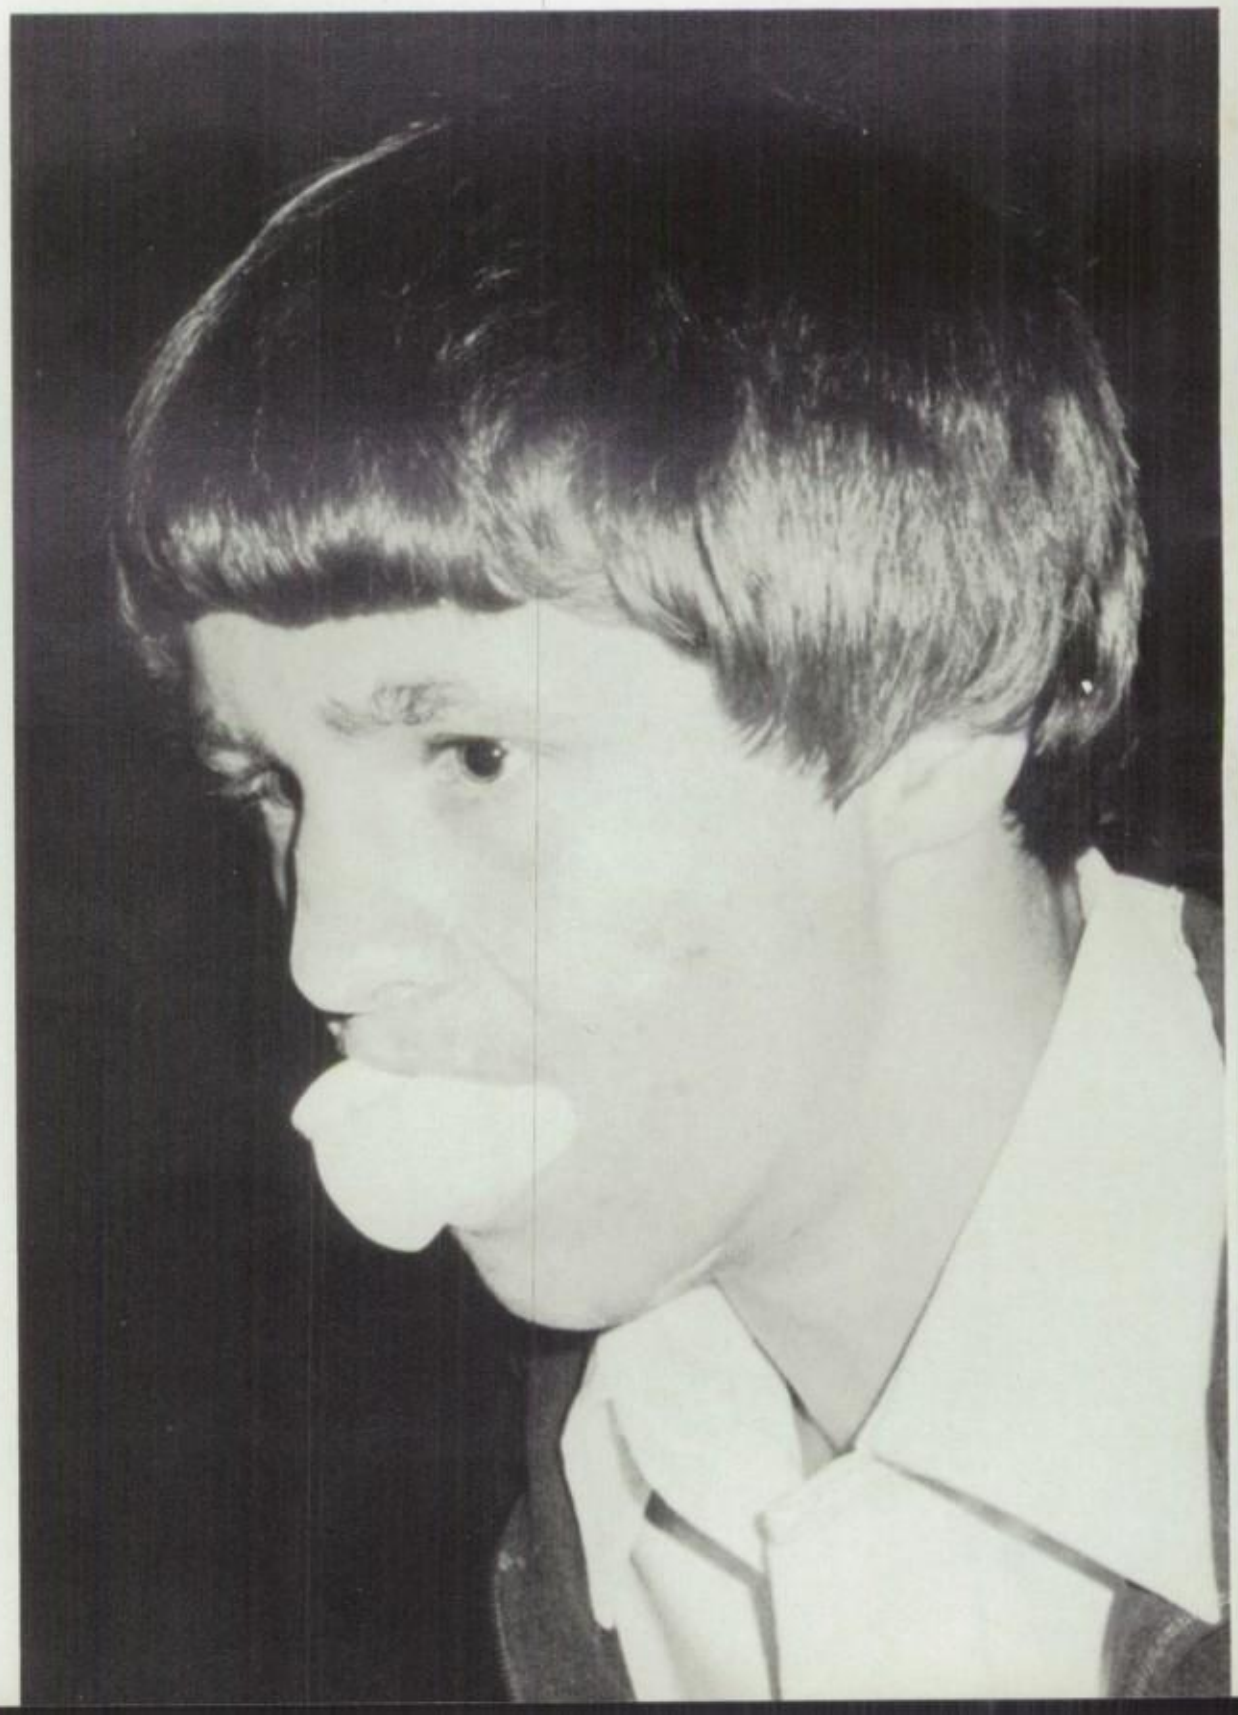
Victory Brings "Celebration"

This year's homecoming week was one that left many fond memories. Class competition was by far the best, leaving the freshmen to win overall. Then on Friday night we really showed Gibsonburg who was best by beating them 22-6.

Shelly Sams and Terry Sabo were crowned the 1979 Homecoming queen and king over the ceremonies. They were crowned by last year's king and queen, Tim Ray and Kim Keller. On Saturday evening the dance was held featuring the well-liked band "Mainstreet."

a

b



c

a. Dean Graber cheers along with his class at the Homecoming assembly.
b. Waiting for the start of his race, Steve Holman tries to concentrate as the crowds cheer him on in the background.
c. After the end of the final marshmallow contest, Greg Brubaker sits with his mouth full.

a. "A kiss for luck" is what the junior class frog gets from Larry Kreais before the race.
b. Mr. Capell, daring anyone to knock him in, as many stand by and watch with satisfaction.

a

Head Chief Jamie Biddle watching over his tribe.

Senior Queen and King candidates, Shelly Sams and Terry Sabo, entering the homecoming assembly as fellow classmates stand for the ceremony to begin.

Christmas Banquet a Success

The 1979 Christmas banquet was a very big success this year. Under the direction of the Student Council and advisor, Mr. Capell, they put together a very big event that everyone seemed to enjoy. This banquet took many hours of planning and preparation on the part of the students and parents. A big THANKS goes to the Student Council for a fun-filled day of food and entertainment at the 1979 Christmas banquet!

b

a

c

a. Listening to the beautiful music being sung, exchange student Myriam Henault looks enchanted.
b. A lot of preparation is needed for the banquet as Jenny Boucher reaches the table settings.
c. Waiting for their meal, these students observe the actions around them.

a

b

c

d

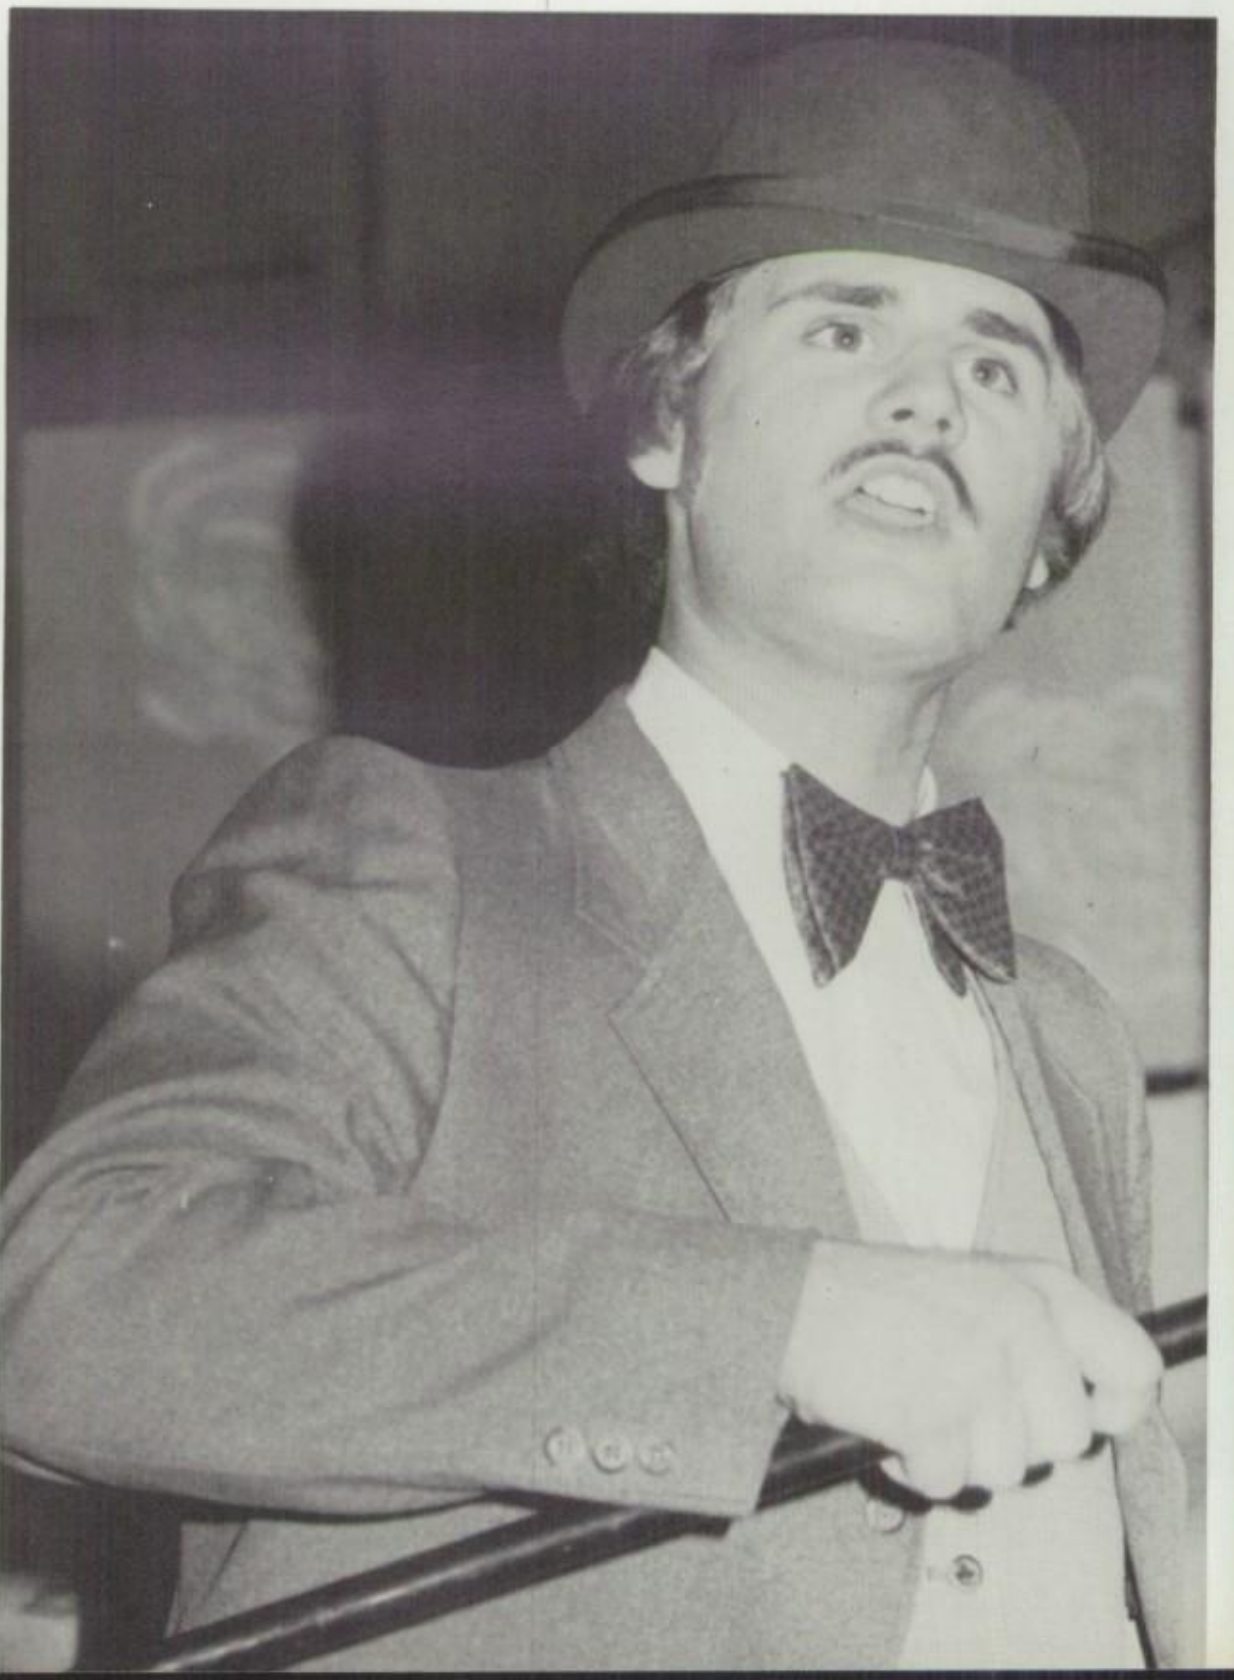
a. Everyone enjoys themselves at the Christmas banquet, even the teachers.
b. To give the banquet the finishing touch, Santa Claus dropped in with a few surprises.
c. This year's entertainment was provided by the Lakota Mixed Ensemble, which Jodi Thaxton is a member of.
d. Without the help of parents the banquet would not have been a success.

"Friends we've got lots of trouble!" is the cry from Harold Hill, the traveling salesman that swindled the town of River City, Iowa, out of every penny they had. Harold tries to sell band instruments and uniforms to the neighboring children, he gets caught in the act and had to make his awful band play. If he did not he would get tarred and feathered on the spot. Luckily, the parents liked the bad playing.

The musical was shown on January 26 and 27, 1980, in the Lakota High School Auditorium.

a

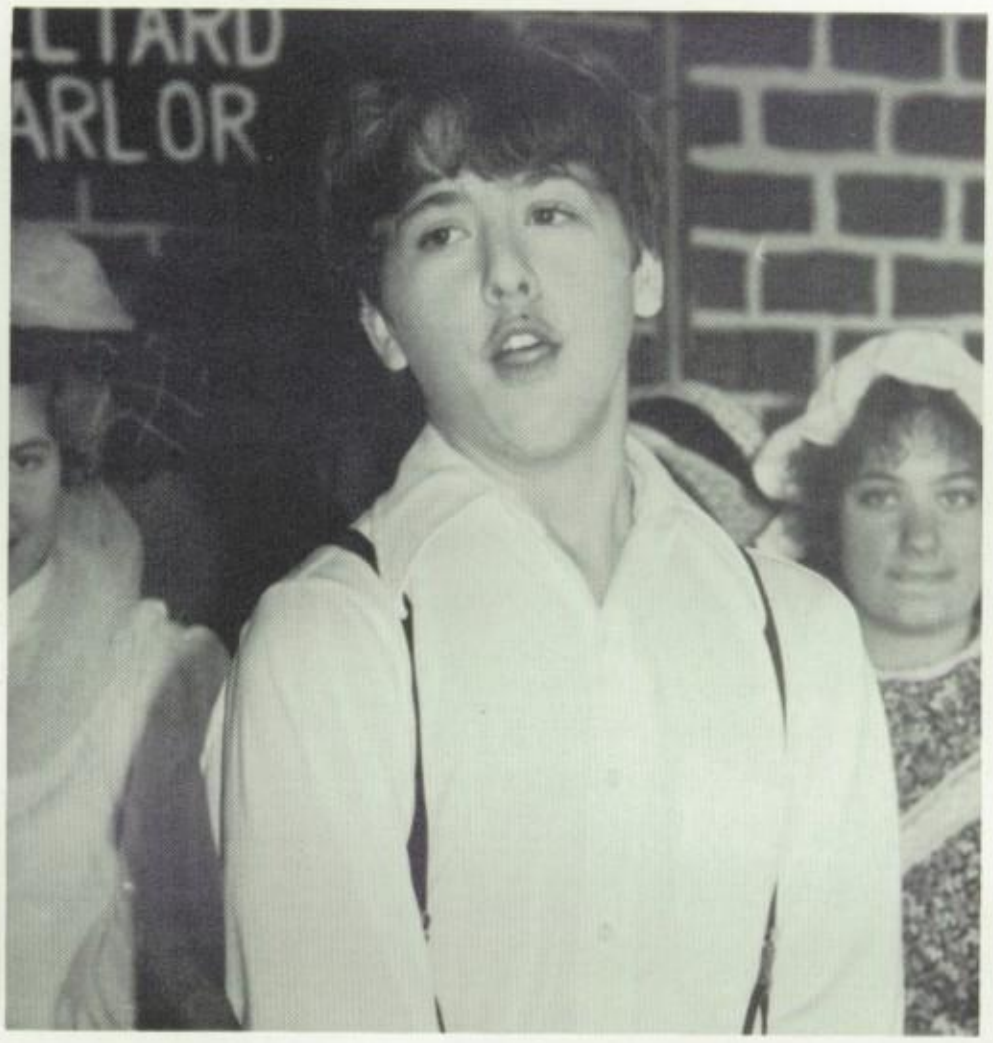
b



c

a. Oliver Hix (Ken Keckler) argues with Mayor Shinn (Jeff Perkey) about Harold Hill's swindling.
b. Mrs. Paroo (Mary Harshman) tries to explain to Marian that she feels Harold is Marian's last chance to marry.
c. Harold Hill (Todd Hanes) tries to convince the town that they are in desperate need of a boys band so he can collect the money and skip town.

a



b

c

d

a. Exasperated at being asked to be the head of the Del Sarte Display, Eulalie Mackecknie Shinn (Ann Aldrich) expresses her gratitude.
b. Wintrop Paroo (John Langlois) sings Wells Fargo Wagon as Alma Hix (Julia Cline) and Mrs. Paroo (Mary Harshman) look on.
c. Marian Paroo (Kandy Ireland) gazes at Harold. She falls in love with him despite the fact that she could see right through his dirty scheme.
d. Backing the cast along with the rest of the orchestra are Becky Haubert and Annette Reinhart.

Donkey Basketball

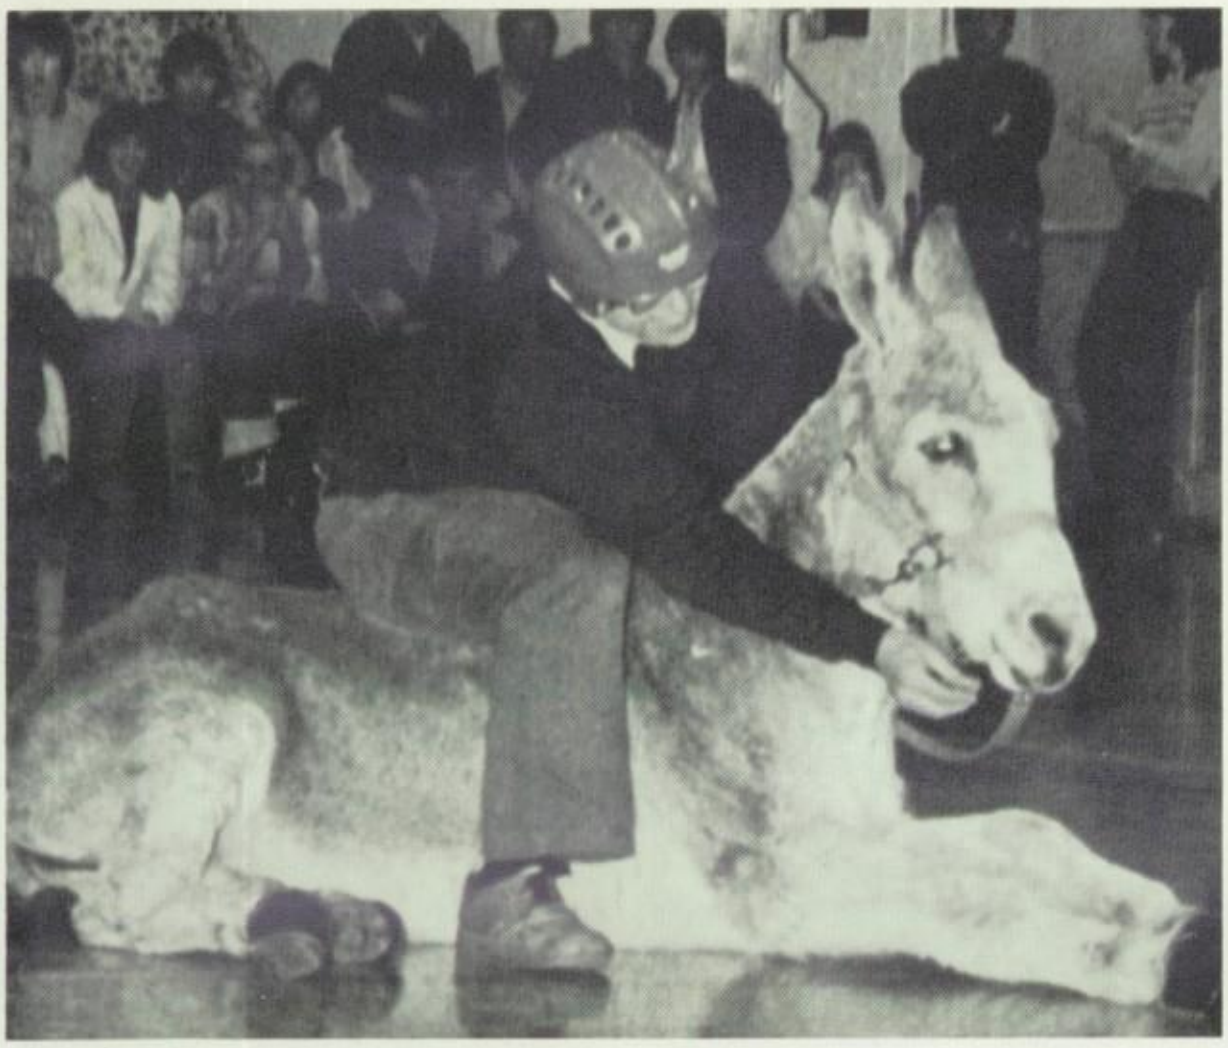
This year's Student Council sponsored another different type of entertainment, Donkey Basketball. Team members could walk, ride, drag, or push their donkeys to their baskets. However before shooting the basketball the teammate must have been on the donkey. A very exciting game was played and the Young Farmers proved victorious over the Faculty with a 6-3 win.

a

b

a. The night proves exciting for Jenny Boucher as she is named Miss Jack-ass-ette of 1980. b. Time out as the referee coaxes one teammate off of the court for a pep talk.

Although defeated Mr. Fentress and Mr. Livoti carry on the team spirit.



a

b

c

a. It's an exhausting game as Mr. Wertz's cohort seems to say he's had enough of this basketball. b. The Young Farmer's Roger Wise trudges on throughout the rough night proving he can be as stubborn as the donkey. c. Competition for Miss Jack-ass-ette was tough and Shelley Shiley will not give up until the end.

During the half time Mr. Brinkman plans some strategic plays for the second half.

Sunshine

"Sunshine" was the theme of the 1980 Junior-Senior Prom held May 3. With prom preparations beginning early in the year, everything was in perfect order that night. With the dance beginning at 8 o'clock the couples filled the floor as the Sunshine Earth Band played the latest tunes and a couple of square dances. Junior President Jenny Boucher also crowned this year's king and queen Mike Hoffman and Becky Cessna during the dance. The dance ended at 11 o'clock and couples headed to the YMCA in Fremont for the after prom.

Posing for their prom picture Kandi Kiser sits on the swing with Randy Shane behind her.

Having a good time on the dance floor Jackie Holman and her date are enjoying themselves.

Crowned the 1980 prom king and queen Mike Hoffman and Becky Cessna dance to the theme song "Sunshine."

a

a. Kelli Feick and Al Wiseman sit this one out as they watch the others dance to the latest tunes. b. Enjoying the final square dance Della Ritter and Mark Sterns promenade around the ring. c. Just before going into the dance Todd Watson and Barb Reinhart talk of their evening plans. d. Checking on how everything is going Ray Haubert talks with Deb Baker and Mike Loomis.

As the alarm rings at 5:30 Camie McGough seems to struggle as she pulls herself out of bed. Knowing she has a long day ahead of her she moves to the bathroom to start her daily routine. After showering and washing her hair with the beer enriched shampoo "Body on Tap" she dries and curls her hair with the ever so convenient curling iron. After applying her makeup so she can look like a "Cover Girl" she heads for her room to get dressed. Knowing that following today's fashions is essential she puts on her blouse with the tie at the neck, baggy pants, and crystal clear shoes.

After arriving at school she progresses through the day with little difficulty. Since she is active in school groups and helps in the lunchroom, the day is broken up by these extra activities.

When she arrives home she watches her favorite soap operas "The Young and the Restless," "General Hospital," and "The Guiding Light." After finishing her afternoon of television shows Camie then begins what she feels are usually busy evenings. If she is not preparing herself to cheer the Lakota teams on she is doing something with her friends or Dave. She enjoys movies and her favorite this year was "Kramer vs Kramer." She also enjoys just sitting with her friends while they listen to rock n roll. Camie's favorite singer is Bob Seger.

On weekends and evenings she enjoys spending time at the Lake and also with her favorite person Dave Moroschan. Much of the time during the summer Camie swims and skiis, like many of her friends do.

As that alarm rings so early each morning Skip Teeple struggles to get his eyes to stay open. After dragging to the shower he grabs the "Coast" to snap his eyes right open. He then gets dressed in the popular clothing, Jeans, T-shirts, and Tennis shoes. He moves to the kitchen and hears the latest tunes from "FM 104" while "Snap, Crackle, and Pop" help start his morning. Skip then leaves for the bus but really wishes he had a '55 Chevy to drive.

Upon arriving at school he spends some time with his favorite person Sheril Aldrich and departs for class. For Skip the day does not go too bad. If the teachear does not hold his attention he can think of something else that will. After that dismissal bell depending on the season Skip either heads for football or track practice.

When Skip gets home his evenings and weekends have many options. Some evenings he just spends listening to the music of his favorite group Lynyrd Skynyrd. Other times he ventures outdoors because he likes being outside and enjoys the spring weather best of all. Some evenings he goes to see the latest movies like "Halloween," "The Gong Show," and "Star Wars" but his favorite movie is "2001 a Space Odyssey." On the weekends he enjoys watching his favorite cartoon character "Bugs Bunny." He also likes to rock climb and go white water kayaking. Not many other students at Lakota have done either of these sports but Skip really enjoys them although they are dangerous.

This year, as in the past, the annual staff seemed to be having trouble getting their feet on the ground. After losing our room and reorganizing ourselves downstairs we began a year of hard work.

Although the staff was smaller than in years past, each individual took their share of the work and devoted 110%. Because of everyone's enthusiasm the staff had a very successful year and believes this book is the best book published at LHS. A big thanks goes to those who dedicated their time this year on a very successful publication.

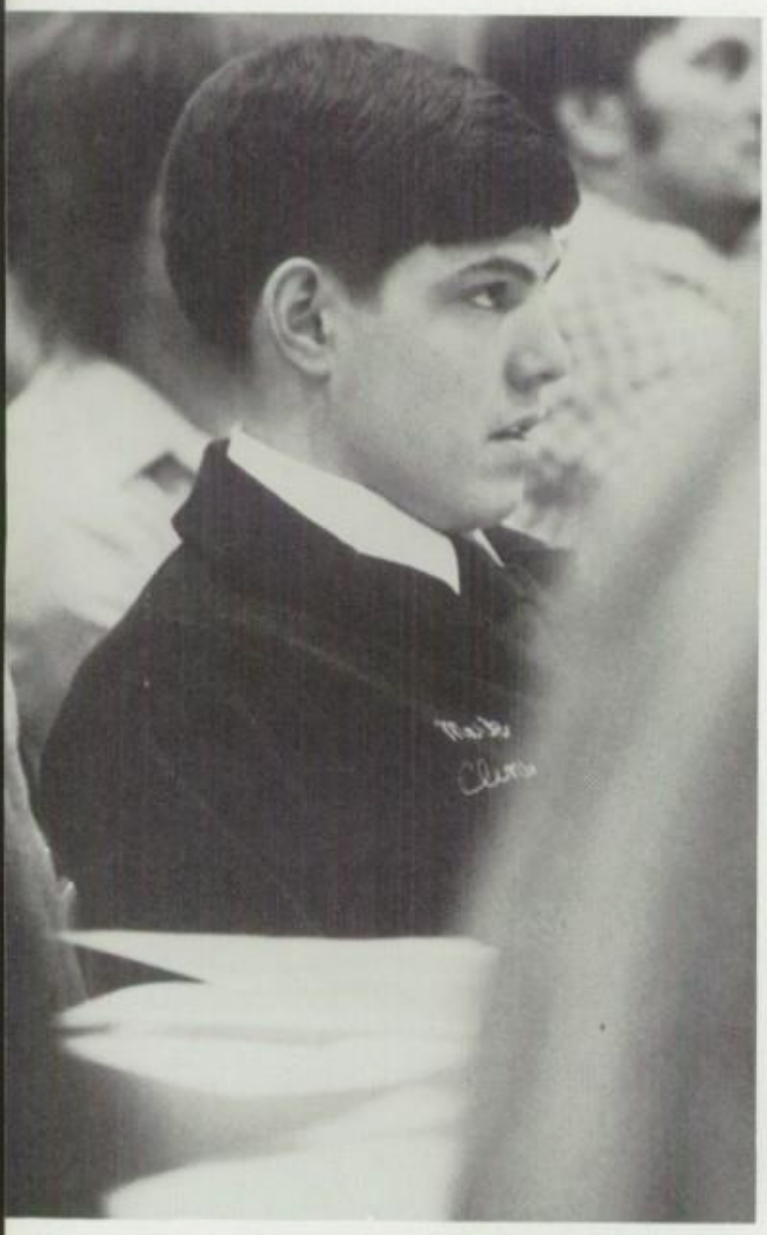
Chapter Concludes Busy Year

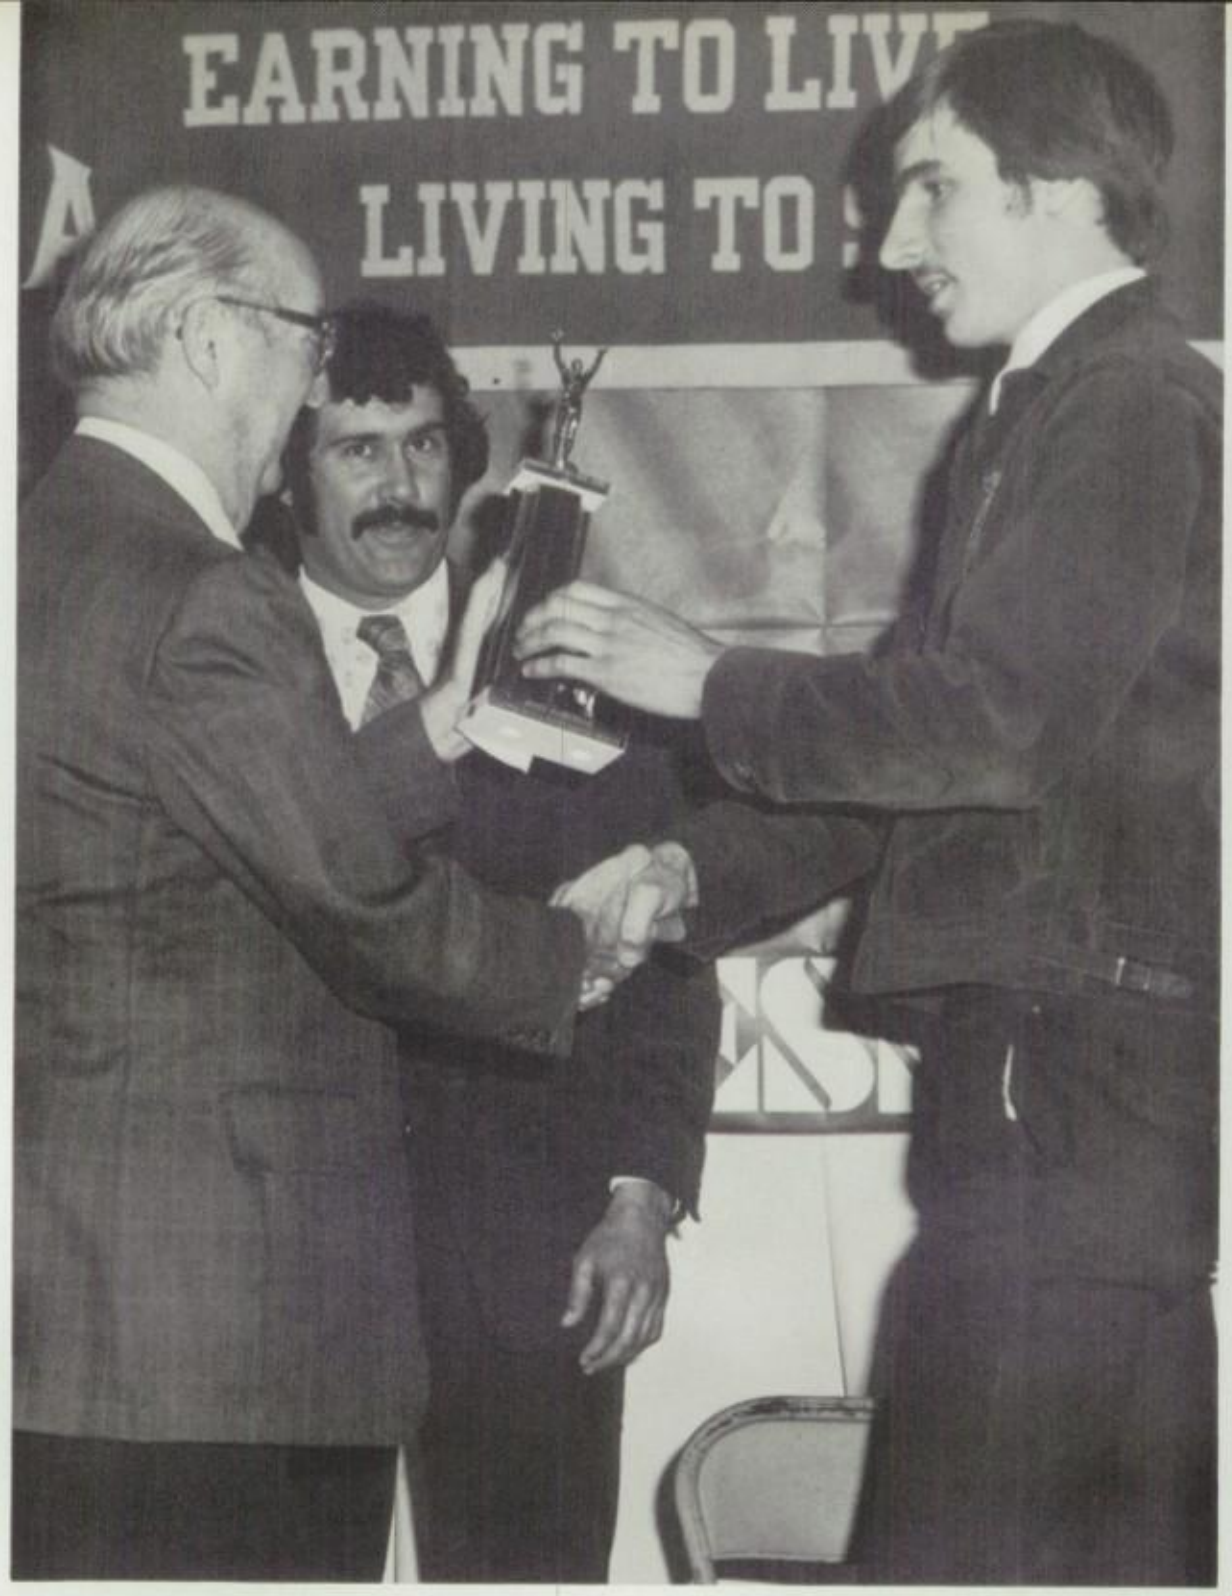
The Lakota FFA had a very busy year by participating in judging contests, camp and convention, school and community activities.

The main activity was the parent member banquet on March 25. Awards were presented to various people who have served the chapter in the past year. Loren Bowe was named Star Greenhand, Randy Shane Star Chapter Farmer, and Roger Wasserman the Outstanding Senior.

Another highlight was at the State Convention in Columbus where Beckie Haubert was elected State Treasurer of the Ohio FFA Association for 1980-81.



As awards are being presented Mark Cline hopes to receive one.



At the annual parent-member banquet, Roger Wasserman was awarded the Outstanding Senior trophy.

Student Council Has Successful Year

The Student Council had a very different year, with the attempt of many new activities. It started during Homecoming with a frog jumping contest and a peanut race, which followed by a donkey basketball game and a square dance. There were also many traditional events such as the Homecoming Dance, the Workshop, Staff-Appreciation Day, and the Christmas Banquet. Both the new and the old activities went over positively. The purchase of a welcome mat and the donations for many beneficial things were also done by the council. With the great involvement of the entire Student Council, this year was a great success.

Tapping Assembly Successful

Scholarship, leadership, character, and service are the four qualities a student must possess to become a National Honor Society member. Cheerleaders Spirit Shows

The 1979-80 year was one filled with work, fun, and excitement. It was one that will leave many memories behind. From the day the cheerleaders were chosen, the year started to roll. During the summer the J.V., and Varsity squads went to camp. All the squads picked out their uniforms, and they all started working on their cheers in order to get them precise.

The cheerleaders worked as hard as they could to raise the fans spirit. Signs were made, tags were made, and treats were given.

No matter how trying the times, the cheerleaders stayed behind the team cheering for a victory.

The football team finally proved they knew how to win, ending their season at 9-1 and Co-champions of the SLL, a first at the high school. The team started with a winter weight program the Monday after the last game of the 78 season. The team opened their season against Mohawk, and beating the Warriors 33-0. They also took a victory over Hopewell Louden in their second game of the season. In the third league game they took a loss to Elmwood, this was still early in the season. From then on it was win after win, they were not beaten the rest of the season because of the three "D's" they lived by. The three "D's" are dedication, desire, and determination, this is what led them to such a successful season. Congratulations to Coach Scherger and his football team on an outstanding season.

Cross Country Team
S.L.L. and Sectional Champions

The 1979 Boys Cross Country Team would have to rank high among the top teams in Lakota history. The undefeated SLL and Toledo Sectional champs were blocked from their goal of a state meet berth only by an exceptionally tough N.W. District Field. Without a doubt this team was among the top 10 best in the State at the end of the season.

Leading the team was Sr. Michael Braun who capped a brilliant career with a 3rd place individual finish in the State Championship. Playing important roles in the teams success were Sr.'s Todd Gabel and Greg Brubaker, Jr's Todd Harman and John Gibson, and Mike Gabel, and Soph. Paul Smith.

Girls' CC

The Girls CC team had an outstanding season. In the fifth year, of the existence, of the Girls CC team, the team completed an undefeated season. They won 4 major championships, including the S.L.L. Championship, and topped off a great season with a sixth place finish in the State Championships at Gahanna.

The team was small in numbers (nine) but long in running ability, as each member helped contribute to the success of the team. Sophomore Barb Wildman was the leading runner. She ran number one person in each race. Barb established a new girls record with her time of 15:12 in her fifth place finish in the Northwestern District meet. Senior Becky Cessna and Sophomore Joni Bateson shared the 2 position. While sophomores Jodi Bateson and Lori Perkey ran strong, consistent 4 and 5 finished on the team. Juniors Linda Naderer and Brenda Cessna, Senior Julie Cline and Sophomore Amy Wirkner all ran strong races and made important contributions to the team.

Golf

The golf team was a surprise to everyone this season. There were only 2 seniors on the team this year, and with the help of the four juniors and four sophomores they played well. They placed fourth in the league and they finished fourth in their sectional meet. During the middle of the season the team played against Woodmore and defeated them in a match. Woodmore went on to become the Class A champions. This showed that the team had the potential to do very well. Junior Dan Scherger was the No. 1 man this season and he also holds the school record, he received a score of 34 in the last match of the season. Next year they will have four starters going out and have goals of doing even better.

Volleyball

This year there were only three seniors with not much experience on the team. There were only four lettermen returning from last year's team, they also had three juniors and three Sophomores to join the seniors.

The team did not have too many veterans to show them the way so they had to do the best they could. There were conditioning practices during the summer to get the team ready for the upcoming season.

It didn't help the team any by having the other team improve also.

Ginny Beaston, the second year coach for the team brought new techniques into the team. It was a real learning season for them, it's a young team and they have a ways to go so look out.

Team Regains SLL Title

The team started out with a fine season winning its first game against Mohawk 58-50. This was the beginning of a nine game winning streak, which put the team first in the league going into the end of the first half of the season. The winning streak did not last long as they were beaten by Fostoria and Genoa. They then came back beating Woodmore 102-61 a new school record, the only other loss of the season was to Eastwood. By the end of the season they were the 1979-80 League Champions. In the tournaments the team was the Sectional Champs and District Runner-up.

J.V. Basketball Has Fine Season

The reserve team had an outstanding season with an impressive 19-1 record. There were five juniors on the team this year and two sophomores. They were not a big team but they still got the job done. They spent many hours practicing with their coach Mr. Gnepper. They went to basketball camp and clinics this summer to prepare for the season. The Varsity team should do well next year since all of the reserve players will be coming back.

Wrestling

The wrestling team had only one senior this year, Gary Rieff. There were nine juniors and four sophomores to make up the team. Although the team was very young they were able to do a good job. They ended up with a 5-7-1 record for the year and they placed 6th in the League and 8th in the Sectional, there were also a few who were district qualifiers. Barry Hall, Larry Kreais and Jeff Stoller were the three juniors who made it. They will have everyone coming back next year so they will be looking for an even better season.

Girl's Capture SLL Title

Pace is important to a distance runner as Junior, Brenda Cessna concentrates on hers while running a mile for the 4 mile relay team.

The girls, track team had a very trying season due to many injuries. Girls were called on to fill in for the injured and they did a very fine job because they have remained undefeated in dual meets for the second straight season. They also remained champions of the Lakota Invitational, Eastwood Relays, and the S.L.L. Over half of the school records were broken.

Those qualifying for Districts were the 400 meter relay team of Kelly Watkins, Liz Gibson, Nancy Wonderly and Annette Hammer, the 3200 meter relay team of Angie Holman, Amy Wirkner, Becky Cessna, and Barb Wildman, Nancy Wonderly in the hurdles, Barb Wildman in the 800 meter run, and Deb Dennis in the discus.

Coach Cline says they were a great team.

Baseball Shares SLL Championship

The Varsity Baseball team put out much effort this year, which really paid off. They were the Sectional winners, District runners-up, and they tied for the S.L.L. championship.

This was the first time in our school's history for the team to take a first in the sectional and also its first S.L.L. championship.

Four players made all S.L.L. which included Joe Overton, Larry Ray, Larry Tiell, and Al Wiseman. They finished with a 14-5 overall record, and a 10-4 record in the S.L.L.

Joe Overton was selected 1st team all district and Larry Ray was selected 2nd team all district.

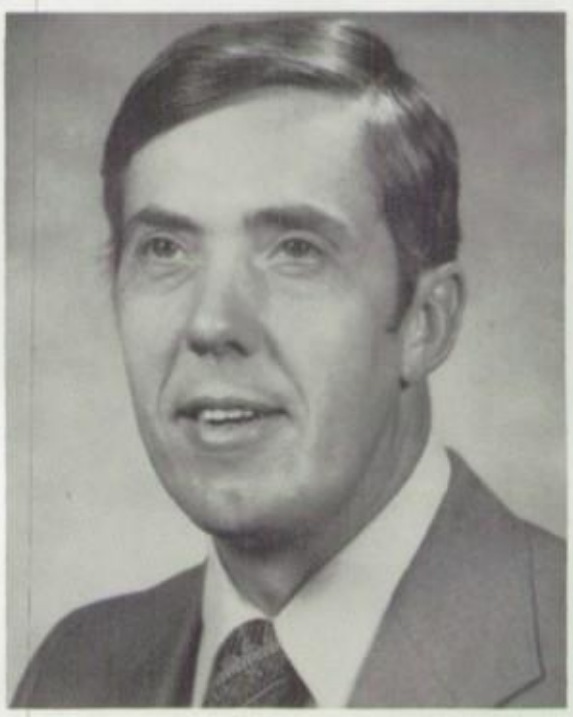
Administration

For Lakota Schools 1979-80 is a very good year. The fall began with a football co-championship followed by voter approval of a $1,750,000 Bond Issue aimed at putting our building back into shape. Educational opportunities are moving forward with a new language arts program K-12, special reading programs, new vocational units at the high school and an excellent staff. But the best news, as always, is of the accomplishments of our fine student body. Truly Lakota is a district on its way up and I'm proud to be a part of it.

Gary M. Keller
Superintendent

SCHOOL BOARD: SEATED: Pres. Dwight Wise, Jr., Clerk, Karen Botzko, Nancy Houtz. STANDING: Ned Fairbanks. Brad Milligan, Jim Haubert.

Mr. Nicholas N. Ezzone Jr., Principal; B.S., M. Ed., Specialist in Educ.

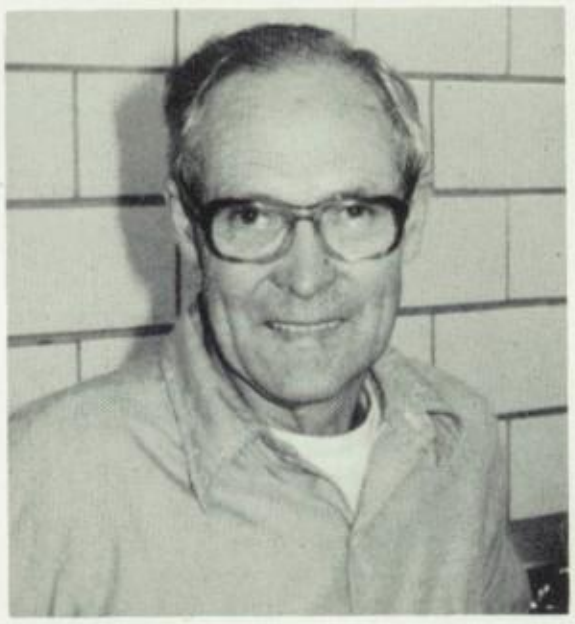


Mr. Gary M. Keller, Superintendent; B.S., M.A.

Mrs. Pat Stahl; Secretary

Mrs. June Stevens; Secretary

Mrs. Ann Loomis, Mrs. Frankie Houtz, Mrs. Laura Zimmerman; cooks.



Mr. Howard Gump; Custodian

Mrs. Joyce Corbin; Study Hall Monitor

Employees

The employees are the nuts and bolts of our daily schedule. Without the accomplished skills of the secretaries, cooks, janitors, and monitors, the day-to-day operation of the school would not run smoothly. Each staff member has responsibilities for certain duties. Many times they are overlooked, but if they weren't here, they would be missed.

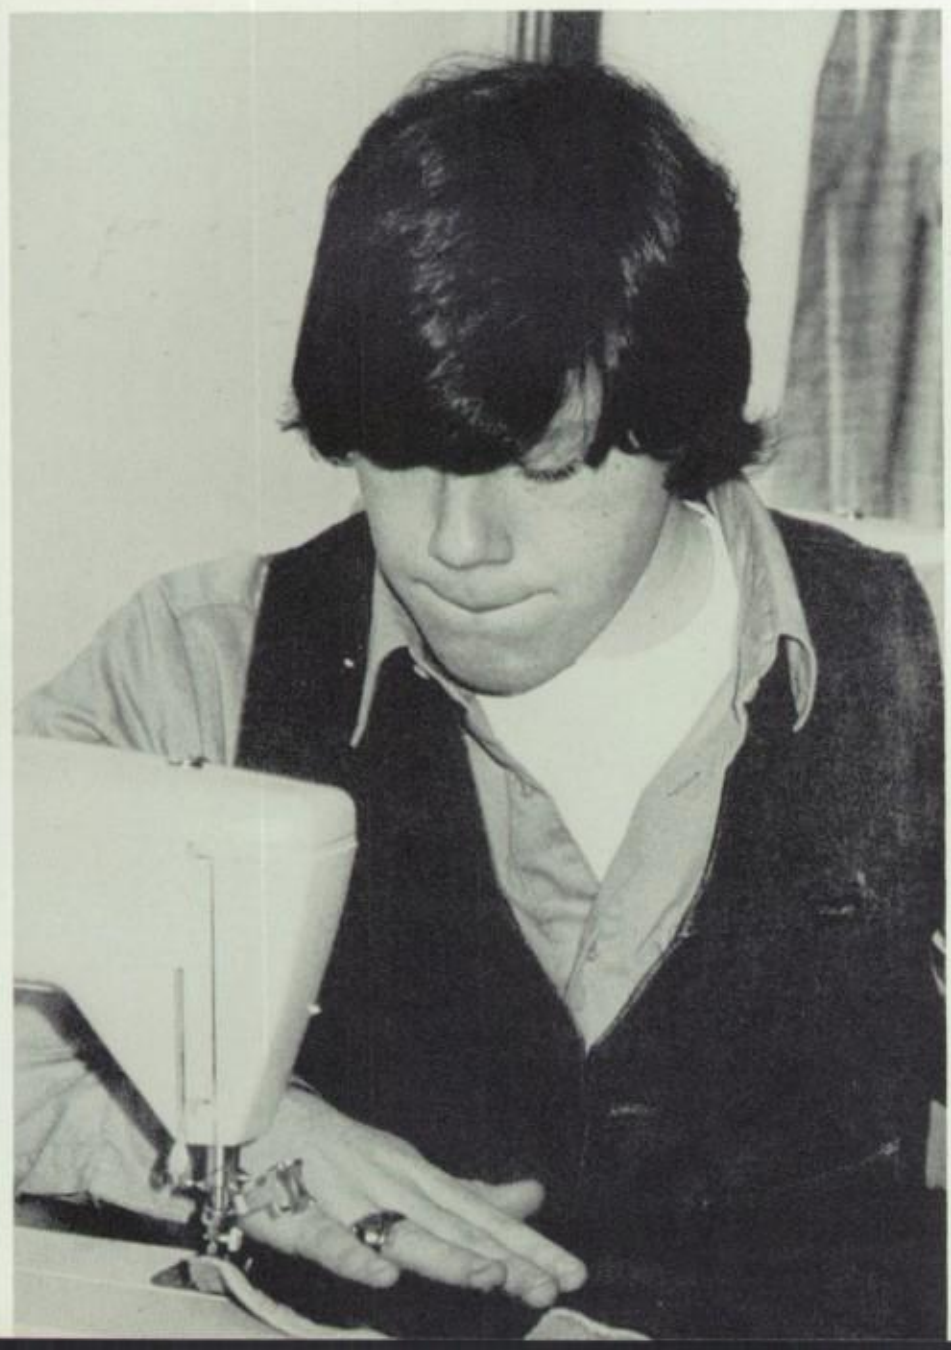
A Stitch in Time

Home Economics offers many opportunities for students to obtain the basic skills which are needed in the future. In 1978, the home economics program became a vocational unit. This year two features were added: Individualized Extended Experiences (IEE) and a home visitation program. The IEE's are projects related to classroom learnings which are completed by the student outside of class time. The home visitation program is designed to increase teacher-student-parent relationships outside of the classroom and to discuss progress in class and on IEE's.

Vocational Home Economics offers Consumer Homemaking (I and II), Single Survival, Family Living, and Advanced Home Economics.



LEFT: Boys can sew just as good as girls can, as shown by Roger Crouse.
ABOVE: Ginger Limner works to cut her pattern out correctly, because it's only the beginning of a good final project.

RIGHT: Kim Aldrich relays her opinion to the rest of her group.

Learning Center

The Learning Center is a place for students to take subjects in an alternative manner and to receive individual instruction. Various methods and media are utilized, including tape recordings, filmstrips and individualized assignments. Additional help is also given for a variety of subjects taken outside of the Learning Center.

Jo Squier

RIGHT: Practice makes perfect as Kathy Flinner learns to use her reading skills effectively.

Mark Turner questions a point stated in class discussion.

Special Education

"All education is special"

In the special education class, students are confronted with basic and survival curriculum presented in an individualized format. The curriculum is designed to provide instruction in areas of interests and needs for each student.

Business World

The available business courses are typing, shorthand, accounting, general business, and consumer economics along with business law. These courses help students prepare for successful participation in a variety of careers.

Typing is one of the most useful skills that an individual can possess. In most occupations it is needed in varying degrees.

A knowledge of accounting will aid you in the ability to earn a living, understand economic activities of the business world, and help you manage your personal business affairs.

Shorthand provides a necessary skill needed in secretarial work. It can also be helpful in taking notes.

General business and business law along with consumer economics provide the knowledge necessary to be a smart consumer and to be able to handle everyday business transactions.

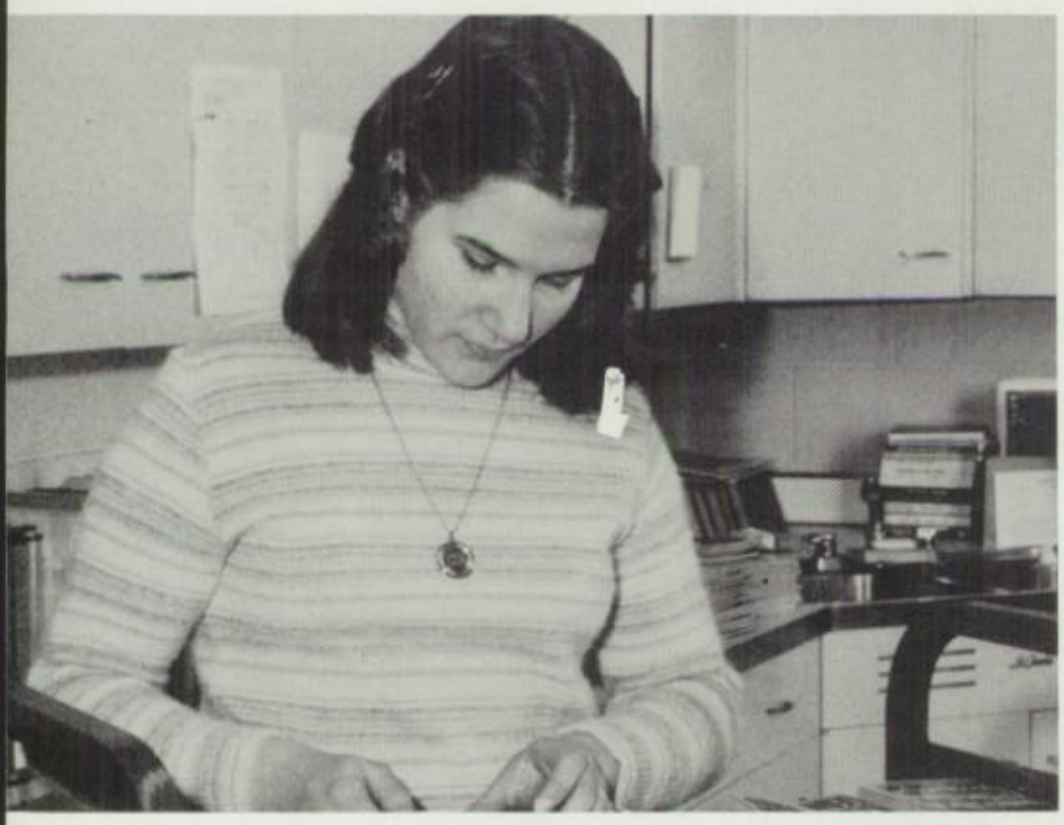
a. A lecture in general business holds the full attention of Ron Stoudinger. b. Della Ritter practices her shorthand to better her skill.

RIGHT: Much filing is required in an office and Della Ritter learns to do it well.

Office Life

Extra-curricular activities make the ever monotonous school day more interesting and enjoyable. Usually we think of sports as being the main source of extra-curricular activities, but there are sources of extra activities during the school day.

By working in the main office, guidance office, or the library, new and educational experiences can be presented in a controlled environment. It's much like the learning atmosphere of a classroom. This form of educational experience can provide the background for the beginning of a working career.



ABOVE: Part of Linda Spencer's job in the library requires her to be able to classify and arrange books in order.
RIGHT: Helping with the counting of daily monies takes a lot of Annette Reinhart's time.

a. Learning to run the mimeograph machine requires a lot of attention on Louise Purkey's part. b. Daily paperwork and supervision of office workers keeps secretary, June Stevens, very busy. c. Kim Welty must carefully check attendance so that no one is missed. d. To keep an accurate record of the attendance, Sandy Carpenter must be very accurate.

Becoming a Senior was a goal we all looked forward to. For three years we had been following examples other Seniors had set, but now others were following us. Suddenly we were at the top of the ladder. Realizing we had now become responsible and dependable adults and great expectations were now expected of us.

Although we had achieved one goal many more were waiting outside. Through exciting and happy good times to painful disappointments, Lakota High School was there providing friendships to rely upon. We realize graduating is not an end, but rather a beginning with which we take all the things we have learned and use them to build the future.

Juniors
Aldrich to Hemminger

The Juniors biggest goal for this year is the Junior-Senior Prom with "Sunshine" being the theme. Along with all the hard work and decorations goes a costly expense. To help ease the budget, the Juniors are selling candy bars and collecting class dues.

With only one year left, graduation is coming fast and the time to make decisions concerning the future has arisen. Some can hardly wait to get out while others are thinking on the line of college to develop their career.

Sophomores
Adams-Hammer

Sophomores are given more opportunities than they received during their Freshman year. Many more courses such as World History, Accounting I, Biology, and Geometry are offered. Many sophomore athletes have had the opportunity to participate in Varsity sports and become members of Varsity L. Also we received our class rings that we ordered our Freshman year. The ring is very important because it symbolizes pride in our school.

This was a year that was used to take a step toward career goals. An Ohio Interest Survey was given. This survey helps the students see which profession they will most likely succeed. Also students were given the opportunity to take a tour of Vanguard to see if they wish to attend in their junior year. Many sophomores have already chosen to attend and have found it very rewarding. Best of Luck in your future plans.

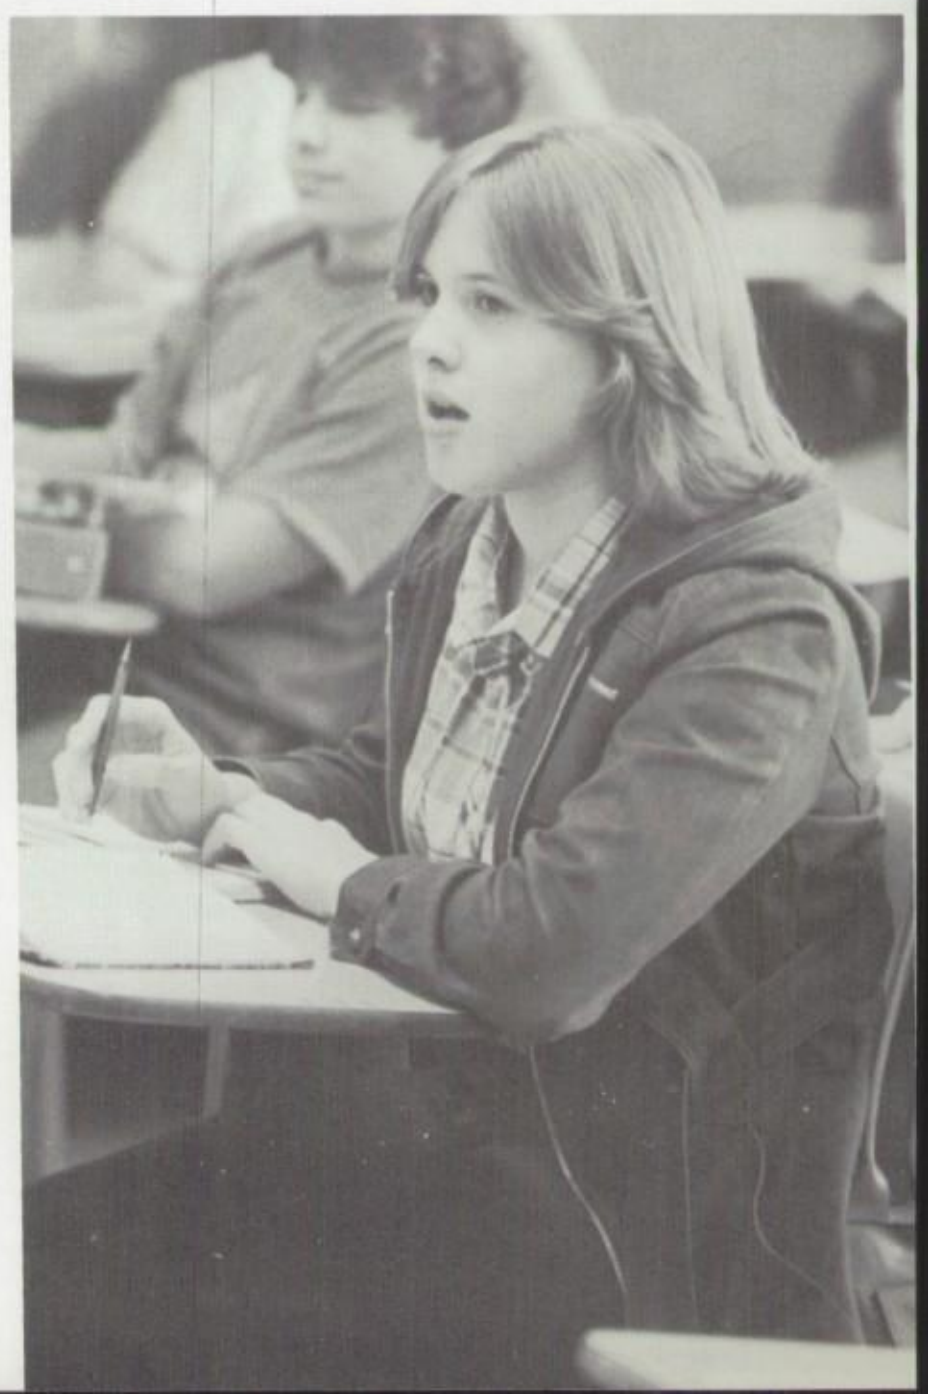
Freshmen

Adams-Haar

Lisa Jacquot uses her study hall time to read an interesting magazine article in the library.



Right: Part of learning is asking questions, as Wendy Keller does in English.

A laugh now and then by Troy Myers gets his mind off of school work for a little while.

Being a freshman at Lakota High School can bring many changes to a person's life. There are a number of activities for them to participate in, and then there is always the homework to concentrate on. A freshman is required to take Science, Health, Phys. Ed., Math, and English. They can then choose electives to fill up their day. With the many activities and school work, your first year at L.H.S. will pass very quickly.

As Tina Kline helps, Lorrel Mullholand prepares to do a flip on the uneven bars in phys. ed.

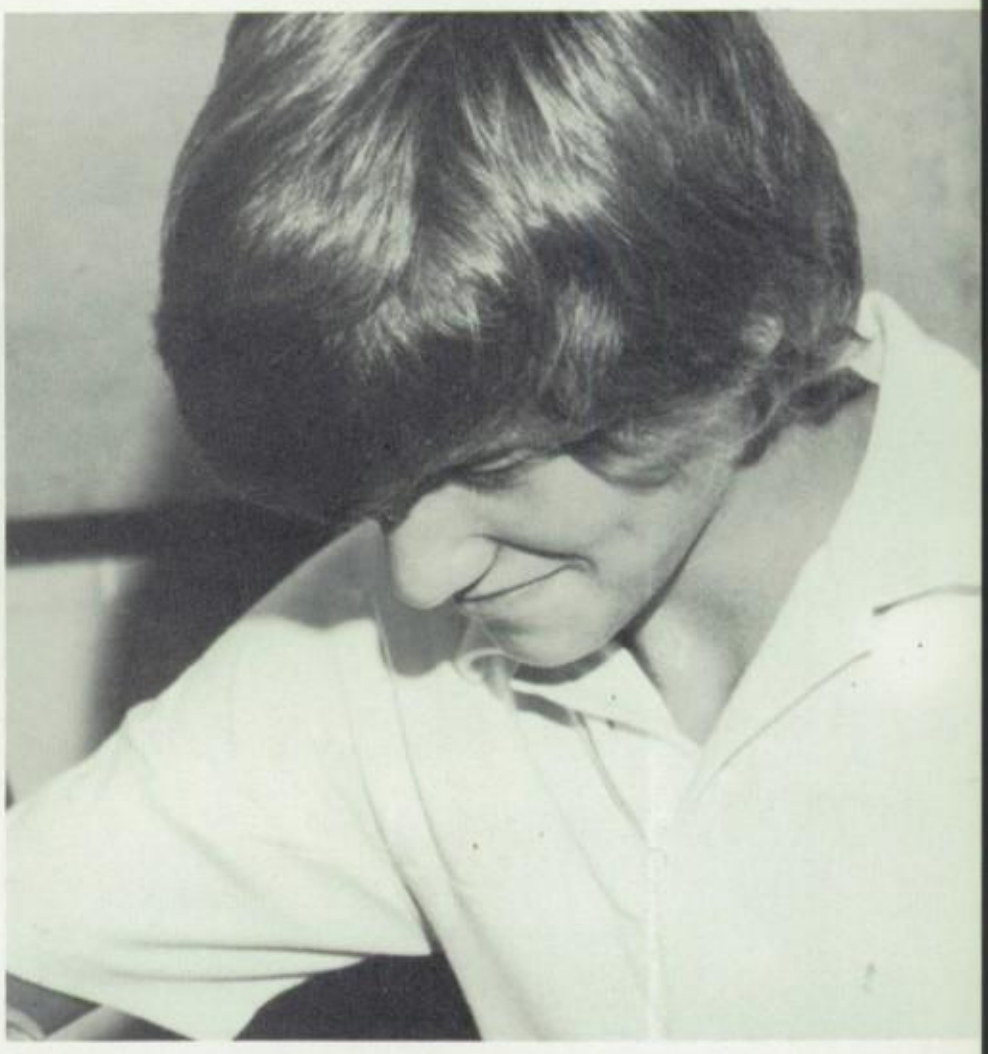
Sanding the boards makes the final project look like a more professional job, as Bill Tuttle finds out.



Before you can get in the shop, you first have to learn how to draw your plans up. Loren Bowe seems to be enjoying this part of his work.

Man is challenged today to excel in almost every endeavor . . . those who do succeed often trace the beginnings of their performance pattern to accomplishment in high school and to those who offered stimulation and inspiration in these formative years. Josten's has long been a partner to these educational leaders in providing a means of motivation and the rewards of recognition, and Josten's products have become tangible symbols honoring perseverance and achievement.

More than 3,000 Josten's employees are dedicated to your complete satisfaction. Serving you locally:

AMERICA... PASS OR FAIL?

We're facing our greatest test . . . the Energy Test.

You can help.

- By learning all you can about the problem.
- By looking at the problem with an open mind, logically, without blind emotion.
- By considering making the technology of energy production your life's work.
- By learning to conserve.

THE STUDENT COUNCIL OF 1979-1980
Would Like to Take This Opportunity to Say
THANK YOU!!!

To Frank Boucher, Paul Wonderly, Greg Bickley, Wally Wagner, and Jack Stearns for letting us use their jeeps for Homecoming.
To those in the community who let us borrow their tables and chairs for the Christmas Banquet, all those who helped move them, and to Greg Haubert and Glenwood Lentz for lending us their trucks.
To Miss Knisely for organizing the servers and all those who served.
To the Ensemble for a great performance on short notice.
To the Young Farmers for taking hard knocks and bruises during the Donkey Basketball Game.
To the faculty members who rode and did not complain — too much.
To Mr. Szabo, Mr. Adams, Mr. and Mrs. Hunt, Mr. and Mrs. Capell, and Mr. and Mrs. Krebs for chaperoning the dances.
To the Brubakers for donating the straw for the square dance and to all those who helped set up.
To Greg Haubert for speaking at the workshop.
To Mrs. Graber for patiently taking tickets and letting us out of study hall.
To Howard and Mary for constantly cleaning up messes we made.
To Pat Stahl and June Stevens for typing, sacrificing, and being very patient with us.
To Leann Hunt and Louise Purkey for typing programs.
To the Student Body for spirit and mature attendance at all the assemblies.
To all the people we missed (there were plenty), we heartily thank you for a job well done.
To all our members for hard work and dedication through a year of good service and well rounded projects.

As we traveled through this year together we captured many different signs. Signs of victory, defeat, joy, madness, talent, and each was a sign of something great, an individual. Through each of these experiences we achieved something, but the greatest achievement was our personal growth. I hope each of you will carry this year's memories with you and will never forget the signs that made your 1979-80 year so memorable.
